

Coaches & Players - Barca already implements/ recommends these strategies.

- * Daily Symptoms check; stay home if not feeling well.
- * Must wear mask AT ALL TIMES when not on the field of play (games/practices)
- * Guidelines ask coaches to
 - promote good hygiene behaviors
 - ensure proper social distancing actions (no gatherings before/after training)

NEW

Family to Academy Covid-19 Communication – if your immediate family is impacted by a COVID-19 situation that you believe the Academy should know about, please email Mike Lentz at MLentz@classicseagles.com and Heidi DeNoi at HDenoi@classicseagles.com. Together will work with the family to ensure all local, state and national health and safety guidelines are followed.

COVID-19 Education Videos -- Players and Coaches are asked to visit the Ohio Department of Health website and watch the COVID-19 educational videos. They are very short in length but powerful messages to help everyone understand their role in keep the practice and game environments safe.

COVID-19 Video Training - Using link [HERE](#), go to the Videos

Spectators - Barca already implements/ recommends these strategies.

- * Daily Symptoms check; stay home if not feeling well.
- * Sit together if same family
- * 6ft social distancing from other families
- * No gathering as groups before/after games/competitions
- * Face Coverings required

Games/ Practices - Barca already implements/ recommends these strategies.

- * No physical contact between coach-player or player-player outside the field of play. For example, close huddles, pre-game chants, high-fives)
- * Activities limit the length of time that players are in close contact
- * Players should remain with the same training groups rather than mixing groups
- * Time must be allotted between practices/games to ensure proper social distancing and sanitization of equipment (as necessary).

NEW

Teams may only play 1 league game in a 24-hour period. The team coaches are review the schedule to ensure the teams are in compliance. If needed, games will be rescheduled. We are reviewing the schedules on a week to week basis.

Parent Volunteer at games to ensure proper social distancing by players. This is a mandatory guideline, not a suggestion. Barca team coach & team manager will coordinate on a game-to-game basis. Volunteers who sit with the players will not be allowed to coach; The goal is to ensure players maintain 6ft social distancing and wear masks on the sidelines/bench area.

BARCA teams will not be allowed use team benches. Players can bring their own chairs.

- * Limit/avoid players sitting in confined seating areas (benches).

Equipment - Barca already implements/ recommends these strategies.

* Players/teams do not share equipment.

Team Travel/Bus -- Barca NA

Team Travel - Out of State -- Barca teams in GLC/NPL

* These leagues have not shared their schedules and protocols yet.

* The new order and guidelines encourage families NOT to carpool. Barca Academy supports this guideline

NOTE: Barca teams are not traveling outside of Ohio at this time. Travel to out-of-state (or outside Greater Central Ohio) locations begins in September. We will monitor this guideline in the coming weeks to see if additional steps are necessary.

Suspected & Confirmed Cases of COVID -- Barca already implements these strategies in cooperation with the local health authorities.
