

ETS Performance – Exclusive WVC Volleyball Sponsorship

To All WVC Volleyball Families,

Coach Ozzy here – Director of Operations and Master Performance Specialist at ETS East Metro in Woodbury, I hope this letter finds you well. We're extremely excited to announce our official sponsorship for WVC Girls' Volleyball! It was an honor introducing myself to you all and we couldn't be more thrilled to provide WVC Volleyball athletes more opportunities to become better athletes on the court and better individuals off the court! Our mission will always be to provide athletes with an elite training experience, that helps maximize their full potential, in a genuine, enthusiastic, and encouraging environment that also helps them build characteristics and behavioral traits that will last a lifetime!

I wanted to send out a personal note on the exciting opportunities we have in store for your athletes to prepare for this season and what lies ahead in the future; we've agreed to provide exclusive discounted training opportunities to all athletes! We're also excited for the opportunity to bring ETS directly to your team practices, in hopes of providing all teams at least one session for the season!
