

2020 Spring Development Program

Tournament Team Tryouts

Player Draft Season

3 on 3 & Small Area Games

The Vikings Hockey Club is proud to announce their **2020 Spring Development Program** at The Arctic Ice Arena. This year's program will run from early April thru the end of June. The Vikings Spring Development Program is open to **ALL PLAYERS** from **ALL CLUBS** including AAA, High School, Tier II, Arctic Jr Fury and all House Programs.

New For 2020, the Vikings Spring Program will consist of a combination of Power Skating, Skills, Drills, Small Area Games, Draft Games, along with a 3 on 3 series. In addition, there will be Tournament Team Tryouts in April to select players to compete in the ***Chicago May Madness Spring Tournament*** for the Vikings. The revised format allows for a focus on individual player development while implementing team concepts and tactics through a fun yet competitive game environment. In April all sessions will consist of **Power Skates, and Skills & Drills**, focusing on individual player development. Beginning in May, the Coaching Staff will draft all Spring Players onto two teams. The month of May will consist of one session per week being skills and drills and the other session being all small area games and scrimmages. In June we will begin our 3 on 3 Series. All players will compete in a 3 on 3 format twice a week. This revised format will allow our players to progress from the skills and drills program into the concepts and game situation from April to June.

The Vikings will be entering teams in the following tournament... **May 8-10 CCT Chicago May Madness (Mite AAU, SQ U10, PW U12, Bantam U14 and Midget)** This tournament will be held at Canlan - Romeoville. Teams will be selected with players registered in the Vikings Spring Program. Teams will be selected and coached by a collection of 2020 Orland Park Vikings Spring and Fall Coaches.

Vikings Hockey Director Nick Pollos combined with Hockey Sense Inc. will also be entering teams at various birth years in the **CCM AA/AAA Chi-Town Shuffle April 17th-19th** and **the Tier I AA/AAA Chicago Shootout (formally NAPS) May 1st – 3rd in the Chicago area.** This is a high-level birth year tournament. Players will be invited individually throughout the spring by Nick Pollos and Hockey Sense Inc. Staff.

If your player is selected for any tournament teams, he/she will incur an additional cost per tournament. There will be no refunds or prorated fees for tournaments.

Now in its 10th year, our development program has been developed by Vikings Hockey Director Nick Pollos with contributions from various **USA Hockey** and Professional Hockey Coaches and Instructors. Each session will be made up of challenging development drills, focusing on proper skating technique, puck handling, passing and shooting along with focused and competitive scrimmage time. Specialized goaltender instruction will also be present throughout the program including goalie clinic nights.

A variety of instructors will be used during these sessions including current and new Vikings coaches, special guest instructors, current Junior A, NCAA and Professional Players along with Hockey Director Nick Pollos.

This is not a spring league, no meaningless games, no driving to multiple rinks at various times and days. Our program focuses on teaching and development at one location with a pre-determined schedule, all in one rink with proven instructors at a very reasonable cost. Program details are outlined as follows...
