Natalie,

We had 51 people sign in on the hill and sold 25 memberships. Most were new members but we did have some returning members as well.

We made \$301.00, pretty good end event!

Nancy, can you forward how many signed in to the tailgate and how many new memberships were sold?

Bonnie and anyone else who took pictures can you please forward to Ruby and Kayla (IEE).

Can everyone else who purchased food please forward what you spent and on what so I can prepare an event sheet for the board meeting.

Thank you.

I am sure that the event went very well. I am wondering if you would write an article on this for the Mogul.

I am having a meeting with the publishers on Thursday. But if you could get it to me in a couple of days that would be great. I just got back from vacation and this is my first attempt at the new Mogul format.

Thanks

Ruby
