Spring has sprung @ DHS !!!

Spring sports kicked off on 3.21.17. Our newsletter provides a schedule for every spring sport that we DHS participates in. We would love to see as many fans as possible at these events to help cheer on our hornets!

The booster club would like to thank the Damascus community for the support that is shown for all of our athletic teams. The community rallies together and supports the hornets in every endeavor they embark on. One way that we can secure the future for our athletes is to ensure we continue to grow our booster club. If you are interested in helping out or haven't joined yet please use link below for more information on membership – <http://dhsathleticboosterclub.com/membership/signup>

Congratulations to our athletes that have committed to play in College!

The boosters club would like to congratulate the Swarmin' Hornets who have made the decision to further their athletic career in college.
