Booster President updates:

- These booster positions are open:
Volunteer Coordinator
Soccer Night Coordinator (shadow)
Photo Coordinator
Varsity Videographer
- Ryan Wright and Brandon Wright are offering to help if no Varsity Videographer is found. Need to purchase go-pro batteries (\$50), along with new go-pro stand (\$65).
- Bingo at Angry Inch on August 14. Zach looking into purchasing supplies and prizes. Discussion on how to run game and distribute prizes (gift cards).
- MNUFC night (75 tickets) is set for September 3 (paid 50% August 5, paid in full by August 19)
- Volunteer update – number of shifts vs expected families needing volunteer hours could be looking tight. May look to drop a few Concession games if possible.
- Red Card Cancer – Eric Martin from American Cancer Society has reached out to us, they have started a Red Card Cancer fundraiser program. Wondering if we would like to pick a game during our season to run fundraising and awareness. We expressed we are interested in hearing more. Likely would have another volunteer position. September 13th game might be a good one to target.
- Game Day Refreshments: order new coolers. Talked about potential of having people volunteer to do Refreshment at lower level games. Or even just the last game of the season might be a game to target. Can discuss more as season starts.
- Papa Murphy's coordinator: will check with Dave McKee and Eric Adamson on what needs to get going

Treasurer updates:

- We will proceed with collecting 3 checks from each family again this year (Fundraising, Volunteer Requirement, Hoodie)
- Discussion about fundraising and making sure we can even out additional costs this year

Boosters would pick up drinks (chocolate milk & water). Volunteers will be needed (food pickup and setup/cleanup at school). B-52's sponsoring other dates and under discussion.
- Refreshments after games: Cub Foods may sponsor funding/items for Refreshments after games. Shawn is working with them, and has talked to Brucciani's about what items we'd like.
