Anne: Is the county taking over middle school sports?

Ms. Perry 100% NO

Anne: Girls teams are dwindling, Need Tennis Coach and 6th grade Cheer Coach (we had one but she backed out the day after we met with her)

Ms. Perry: What about Caitlyn Aikers?

Jen: She coaches soccer.

Cheer interest meeting still on

Anne: Membership is low for middle school, we can give you a check at the beginning of the year and if there is anything else you need, we will have to work something out. Coaches need to push membership for middle school.
