

Cougar Nation Fans & Families,

We are beyond blessed to be playing athletics in Texas! It is going to take all of us to continue playing and keeping our athletes safe. In accordance with the 2020-2021 UIL Covid-19 risk mitigation guidelines our athletic facilities must be limited in capacity. Due to these restrictions we will now be utilizing online ticket sales. This will help us track the amount of fans coming to our athletic contests. You must purchase a ticket online to attend our home games. You will receive an email with a link to purchase tickets. Ticket sales will open up on Sunday for Tuesday night games, and Wednesday for Friday/Saturday games. Online sales will not close until an hour after the last scheduled game; however, tickets are first come first serve. Once we reach capacity you will no longer be able to buy or attend. You will purchase your ticket online, and our gate worker will scan your ticket when you arrive. You can print your ticket or show it on your phone to enter.

Information for spectators:

- All spectators must self-screen for COVID symptoms.
- Spectators should not attend if they have tested positive or had close contact in the past 14 days with someone who has tested positive.
- Please utilize the sanitation station at the gate when you enter.

- Masks will NOT be provided.
- You will be removed and not allowed to return if you are not wearing your mask or social distancing.

Thank you for doing your part to keep our teams safe, healthy, and playing!
