The TSRL finance and operate the 12 Steps to Home tournament by amending the motion by the sanctioning body will financially be responsible for the tournament that award berths. 10/10/3 PASS_____ FAIL__x__

Long conversation around TSRL financial, Brent stated mute point for finances Due to by laws David explained 12 steps to home has been going on for years its not about t he money Don wanted to know what is really happening between CSSA and TSRL. Country Stated just communication issues.

Country brought up Banquet Items:

Banquet do we want chairs and tables: food and linen 14000 table chairs 1400 media 1400 It will be the same as when we have done a banquet in the past as far as finances go Damien how can we do a food truck to just pay our own way Tony said food trucks pay back, they are doing it for their fundraiser.

Country will look into food trucks to see what the cost will be.
Damien \$20 outside \$25 inside I say inside, for \$5 more

Talking about how would it be to have a banquet over on the west side
After the NW championships

Any other discussion?

Brent; will the board be making the final decision about the banquet?

Asked why people didn't go to the banquet; teams do the dinner a ton of teams go to Texas road house
only time they get to. To Expensive cheaper for a team to go for pizza

Advertising it as a unity thing

50/50 raffle some type of raffle

Lee stated his 1st banquet was in Wenatchee huge fellowship huge as a first year ball player

Really good for new people

We need to do our Due diligence for how to attract more people.

Close in the usual manner
