

COVID-19 PROCEDURES

ADDRESS

1700 Tower Street
Prairie Du Sac, Wisconsin 53578
[Directions \(Google Maps\)](#)

ATTENDANCE TRACKING

All visiting teams are required to provide team game roster, no later than 24 hours prior to the start of the game.

ARRIVING AT THE RINK

COACHES & SKATERS

Coaches & Skaters may enter the building 30 minutes prior to the start of the game. Once players enter the locker room, they are required to remain in the locker room until a coach releases them to take the ice.

Masks are required by all in the locker room while getting their gear on/taking gear off. Masks may only be removed once their helmet goes on, immediately prior to taking the ice. While not a policy, we do strongly encourage coaches and players to wear a mask on the ice.

RESTROOM USAGE

If players must use the restroom, they should do so on the way to the locker room. Once they enter the locker room they must remain there until a coach releases them, no exceptions.

EXITING

Coaches and skaters will have 15 minutes to exit the building after the completion of the game. Players must remove gear and exit ASAP – no socializing, etc. after the event. We need to encourage the players to remove their gear and exit the building quickly.

If players are unable to undress and exiting the building within the 15 minutes it takes to resurface the ice, players be held in the locker room until the skaters for the next game have taken the ice and all spectators are in the stands.

It is important that the kids focus on exiting after the game so that we can ensure we don't have congestion between games entering/exiting the locker rooms or the building.

SPECTATORS

Spectators will not be admitted until skaters are taking the ice and must vacate the building immediately upon conclusion of the game.

As spectators enter the rink, the door volunteer will confirm which skater they are supporting (limit 2 per skater). The provided team game roster will be used for admittance into the hockey rink.

- Only two spectators per skater will be allowed in the building.
- All spectators must be 16 years of age or older. No young children are allowed.
- Social distancing and face coverings are required.
- Parent volunteers, coaches, team managers/ reps do not count towards the two (2) spectator limit per skater.

As a reminder, proper social distancing and face covering requirements apply. Failure to observe these requirements will result in stoppage of play and/or removal of spectators for the remainder of the game.

Thank you for your cooperation in helping provide a safe environment for the skaters, fans and our organization! Your commitment helps our organization be able to continue providing an opportunity to play hockey this season!
