- Chaska Area Youth Basketball Association (CAYBBA) traveling basketball tryouts are open to all 3rd through 8th grade boys and girls that meet MYBA Travel Team Eligibility Guidelines, found on Pages 3-6 of the MYBA [Team Composition Guidelines Document](#).
- As stated in the current MYBA Guidelines, for student-athletes in school districts that attend schools that feed into multiple high schools, such as District 112, eligibility is determined by the high school attendance area in which they reside.
- Example:
 - Chaska Middle School East feeds into Chanhassen HS and Chaska HS
 - If the student-athlete currently attends Chaska Middle School East and resides in the Chanhassen HS attendance area, they will participate with the Chanhassen Traveling Basketball Association.
 - If the student-athlete currently attends Chaska Middle School East and resides in the Chaska HS attendance area, they will participate with the Chaska Traveling Basketball Association.
- For players that do not attend District 112 schools, CAYBBA eligibility guidelines are informed by MYBA School Team Eligibility Guidelines, Home School and Online School Policy, and Residency Exception. See MYBA [Team Composition Guidelines Document](#).
- In an effort to preserve as many opportunities as possible for kids that attend school or live in Chaska and/or plan to attend Chaska High School, CAYBBA Travel Basketball has adopted the following guidelines based on school attendance to determine eligibility.

- We acknowledge that recent changes to our policy might impact players currently participating in CAYBBA. To ensure that no one is adversely affected, we will be grandfathering in all existing players under the previous policy terms.
