

Who we are:

We are a non-profit organization committed to developing our community and our players. Our organization supports both boys and girls in grades kindergarten through eighth grade. While teaching our players the skills of lacrosse, we also teach them the skills of sportsmanship and self-confidence.

How can you help us?

Sponsorships offered by local businesses are critical to the sustainability of our programs.

Your contributions will be supporting our teams' by helping to purchase equipment necessary to keep our players safe, paying for referees, field maintenance, and with tournament costs.

How we can help you:

Our teams are unique from other sports in town because we compete against neighboring towns and cities throughout the state of Connecticut. Towns include Tolland, Ellington, South Windsor, Suffield, Hebron, Colchester, Wethersfield, Southington, Mansfield and Pomfret to name a few. This year our teams will even be playing against towns from Massachusetts, providing great visibility for sponsoring businesses. This season, our home field is Legion Field on Reagan Road. With baseball and soccer games happening simultaneously, thousands of locals pass through each week. We have two signage options to showcase your business to this captive audience.

By becoming a VLA sponsor, your business will gain visibility to all these towns, how great!

What are the options?

We offer a variety of options for sponsorships. Below is our tiered program to select the choice that best fits your business. Attached is the sponsorship form for you to complete and return to the organization if you choose to support our program. If one of these options does not sound like it works for you, any donation amount is always appreciated.
