

SAFETY PROTOCOLS AND GUIDELINES

In an effort to lessen the spread of Covid-19 and keep our environment safe for all participants and spectators the following protocols are now in place until further notice.

Every team participating the Plano Premier Invitational League is required to upload the Covid -19 Waiver for every player rostered on your team.

Our referees and field marshals are following proper pre-screening protocols prior to attending our events. Players and any spectators should not be attending any games if they are exhibiting any symptoms related to Covid-19. This includes but is not limited to a fever of 99 degrees or above, shortness of breath or cough. If you or anyone on your team has been exposed to Covid-19, please do not attend our event for 14 days.

1. **Face Coverings are mandatory for everyone (over the age of 10) that is entering the venues.** Players, Coaches and Referees may remove their face coverings while occupying team benches, on the field of play during games, during warm-up activity on fields, or prior to games in designated warm-up areas. Spectators/non- participants may remove the mask when on grassed or non-concrete /paved surfaces when practicing social distancing. Failure to comply with the face covering requirement could result in penalties for your team which could include your removal or your Coach's removal.
2. If at any point social distancing is not manageable on your sideline, the team coach and or manager will be responsible for reducing the number of spectators, in order to stay compliant. (If at any time, State or Local orders require us to reduce the number of spectators, each team must comply.) At risk spectators including elderly or those with underlying health conditions should consider not attending our events.
3. All participants including Team Officials and spectators are to bring and or supply their own hand sanitizer, towels or disinfectant of choice.
4. Please supply your own seating for your team and/or self. You will be responsible for disinfecting those items.
5. In order to provide adequate space for social distancing, **teams will be occupying both sides of the field in a designated area.** In both cases, all Parents accompanying the team are required to remain on your team side or in your spectator area but distance yourself from the team area. There is to be no interaction with your team during the match. The team area is a restricted zone and only available to League Staff, Medical and rostered individuals.
 1. Russell Creek- East side is the Home Team, West side is the Away Team
 2. Carpenter- East side is the Home Team, West side is the Away Team
 1. J2, F and G- North side is the Home Team, South side is the Away Team
 3. Cheyenne- (B, C, F) North side is the Home Team, South side is the Away Team
 1. (D) East side is the Home Team, West side is the Away Team

Players are not to go through the ceremonial handshake/high-fives after the game.

Please do not arrive or enter the complex any sooner than 30 minutes in advance of game time. When your team's game is over, promptly gather your items and exit the complex. The incoming team and spectators should not enter their field area until the previous team has exited. No team meetings on or around the field after your match, there are areas outside of our complexes where you may gather to meet for post-game meetings.

Each of the above protocols have been put into place to protect you and your players. Acknowledgement and agreement of these protocols as well as the Communicable Disease Release of Liability and Assumption of Risk Agreement is required to participate in any Plano Youth Soccer League events.

YOUR RESPONSIBILITIES

Before attending any PPIL Event it is your responsibility to self-check for any Covid-19 symptoms. If you exhibit any of these symptoms, contact your physician or health care provider immediately and do not attend our events.

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear **2-14 days after exposure to the virus**. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

This list does not include all possible symptoms. The **CDC** will continue to update this list as we learn more about COVID-19.

POSITIVE COVID-19 TEST

If you have attended our events and recently tested positive for Covid-19, it is your responsibility to notify us immediately to prevent further spread. It is also your responsibility to notify your team, club or any other party that either needs to self-quarantine or take further action. Notifying PPIL is not a replacement for notifying your Club/Organization.
