

## GREAT NEWS!

We are very excited to announce that for the 2019 baseball season, the Green Bay Eastside Baseball Organization has decided to partner with the Allouez Little League Program.

Both programs have a very long history of providing youth players between the ages of 4 and 12 the opportunity to play America's Favorite Sport – Baseball.

The combined program will be administrated by the Green Bay Eastside Baseball Program. This partnership is a win for both programs. For the Allouez Program, it puts youth baseball back on the center stage in the community after a one year hiatus. For the Eastside Green Bay Program, the benefit is two-fold. First, by adding numbers from the Allouez community our program will remain strong for years to come. Second, Allouez has always had a great facility and the partnership will allow the program to play 90% of its games within 2 square miles.
