2026 Minor 8's Ground Rules

Minor 8's Ground Rules will apply to all playing rules and field conditions, superseding all other rules. In all instances not covered by these rules, the Official Babe Ruth (OBR), Cal Ripken Division, Rules and Regulations will apply. This season VYB will continue to utilize rules pertaining to 60' bases and 46' pitcher's mound, and play by the official rules.

There is NO leading off, No delayed-stealing, NO dropped third strike and No balk rules in the Minor 8's Division. Home plate will not be "HOT" for the duration of the season. This means that a runner from third base may not score on a wild pitch or passed ball. There is NO Infield Fly rule for this age division.

Within the regulations of this League and of Babe Ruth Baseball, Cal Ripken Division,

Managers are required to play each player the minimum number of at-bats, one (1), and six (6) consecutive defensive outs in a six-inning game. A player who starts the game may not be removed from a game until the *required one (1) at bat and six (6) consecutive defensive outs* have been completed unless he is injured and unable to continue playing. Once the injured player is removed from the game, he will be scratched from the batting order, and not be counted as an out. Should the game be called with less than six (6) innings and a player has less than the defensive outs, that player **must** start the following game and complete the mandatory requirements before being removed. Failure to follow these rules will result in a one game suspension of the manager and an automatic forfeit of the next consecutive game in which the player did not start. **All teams will bat the entire line up. Teams may play with "4" outfielders.**

In the absence of the manager and with the Player Agent's approval, a Coach may assume the Manager's duties and responsibilities. Failure to do so will result in a forfeit.

All scores, pitchers used and corresponding pitch counts must be filled out on the score sheet provided by VYB and sent via email and/or picture text by the Home Team to the Player Agent. Managers, Home and Visiting, will sign off on the score, pitchers used and pitch counts that were incurred at the conclusion of each game. Home team will have until 12:00 midnight the day of the game that has been played. If the Home team fails to do so, this will result in a forfeit of your next game.

All Divisions will be responsible for the upkeep of their primary field on which they routinely play. Each team will be responsible for one Sunday workday during the season. Each team **must** have *four* adults representing their team on their assigned workday to complete assigned fieldwork duties. The following divisions will be responsible for: Majors Division - Field 1, AAA Division - Field 3, AA Division – Fields 2,3 & 4 (One Adult per field), Minor 9's - Field 2, Minor 8's - Field 4. All field duties will be from 9 a.m.-12 p.m. every Sunday unless there is a cancelation from the Board President. In addition to one field day during the season, the Minor 8's Division will do one work day before the start of the baseball season. The Board will decide on a workday to get the fields ready for play before Baseball Day. Each Minor 8's team will provide two individuals to complete necessary tasks to get the ballpark ready to start the season. Failure to show up with the aforementioned adults per team on your assigned workday(s) **will result** in a forfeit for the next game on the schedule.

- A. Only players in uniform, Manager, and no more than three adult Coaches will be allowed in the dugout during games. The one exception to this rule is in case medical attention is required in the dugout; a doctor or a credited nurse may be present as long as such medical attention is required. Penalty for violation will be a warning for the first offense with an ejection of the Manager for the remainder of that game if rule is broken again.

- B. The "Home Team" will provide a scorekeeper who will act as "Official Scorekeeper." The Official Scorekeeper will sit on the announcing bench, and be responsible to the plate umpire. The "Visiting Team" will also provide a scorekeeper who will also sit with the "Official Scorekeeper" to ensure the correct call is made.
- C. Line-up cards shall be completed and copies must be provided to Home Plate Umpire, official Scorekeeper and the opposing Manager at least fifteen minutes before game time. **The line-up card must list ALL players by first and last names, uniform numbers, along with batting order, and defensive positions.** Line-up card must also include the names of the Manager and (3) coaches.

III. Rules of the Game

- A. **Due to VYB scheduling/time constraints...** If a team consisting of at least 8 players does not appear for a scheduled game at least ten (10) minutes past official game time, forfeiture may be declared by the plate umpire after consultation with the Player Agent or duty director. Games may begin with 8 players per team but must be completed with a minimum of 8 players per team or a forfeiture will occur for that team failing to field 8 players for their team's 3 final **defensive** outs.
- B. A regulation game consists of six (6) innings, or four (4) innings if the home team has scored more runs in 3 1/2 innings than the visiting team has scored in four complete innings. The mercy rule will be in effect if a team is winning by 15 runs after 3 innings or 2 1/2 innings if the home team is ahead or by 10 runs after 3 1/2 or 4 innings. The instant a third out is made a new inning begins. If after 6 innings of play the score is still tied and still under the no new inning rule, providing in the Umpire's judgment it is safe to do so, tie games can be continued, and if it is still tied, the game will finish in a tie...no new inning will begin after 90 minutes. There is a drop dead of 105 minutes at which point the score will revert back to the last completed inning. Ties are ties.

- C. Suspended or postponed Games: Suspended games must be completed by the next available Sunday in order. Scheduling and times for suspended games are to be determined by the President, Vice President and Player Agent. No team will be required to complete more than one suspended game on any given Sunday, unless doing so is agreeable to the manager of the team who would be participating in multiple games.
- D. If a courtesy runner is required as a result of any injury, the last player ruled out will be the courtesy runner.
- E. If a player steps into the batter’s box (**With Both Feet**) with an illegal bat, Player is immediately called out and the Manager is ejected from the game. If Player puts the ball in play before the illegal bat is discovered, OBR 1.10 penalty rules apply AND Manager is ejected.
- F. A maximum of 6 runs per inning will be enforced in the first four innings of any game. The 5th and 6th are “open innings” as well as the 4th inning when declared the final inning by the umpire.

IV. Protest Guidelines

- A. Manager must show the rule (in writing) they wish to protest to the umpire and state reason for protest.
- B. Umpire will have official scorekeeper note the protest, time and details pertaining to the protest and the game will continue.
