

Important Information for the 2026 Outdoor Season

Similar to last year, we are streamlining the registration process for all players born in 2015 (U11) and older who wish to play soccer in Dorchester—whether recreationally or competitively. Players born 2023 to 2014, wishing to play recreationally, will register directly with Thames Centre Minor Soccer early 2026.

As players move into the older age groups, participation numbers tend to decline. By consolidating registration, we can better organize teams and ensure that every player has a place to play, regardless of their preferred level of competition.

New Registration System

For the 2026 Outdoor Season, we've transitioned to a new registration platform - PowerUp Sports. You'll notice a fresh look and feel during the process.

As with any change, there may be some growing pains, and we truly appreciate your understanding and constructive feedback as we work to make this experience as smooth as possible.

Registration Window

Registration Opens: Monday December 8th, 2025

Registration Closes: Sunday January 18th, 2026

New this year! You will be **required** to upload a **participant photo** (passport style with no hat) as well as **uniform sizing information** during the process. Please have this information ready.

2026 Outdoor Registration Fees

Division	Tier 1 & Tier 2	Tier 3
U8 (2018) - U12 (2014)	\$380	\$280
U13 (2013) & U14 (2012)	\$415	\$315

Dorchester Soccer Club is a registered not-for-profit organization. Our fees reflect the Elgin Middlesex District Soccer League (EMDSL) registration costs and the Club's operating expenses.

What's Included in Registration Fees?

- Home & Away Jersey, Shorts, Socks, and Soccer Ball
- Last name on both Home & Away Jerseys (*New this year!*)

Note: Recreational teams participating in West London Soccer League will receive only **one jersey**, and this will be reflected in their adjusted fees. WLSL fees have yet to be determined.

Teams may choose to participate in optional festivals or tournaments; these costs are **not included** in the registration fee.

Fee Structure - **IMPORTANT!**

All registrants pay Tier 1/Tier 2 fees at the time of registration.

If a player is later placed on a Tier 3 or WLSL recreational team, the difference in cost will either be **refunded or reduced from future payments**.

Tip: If you think this might apply to you, choose the **3 Equal Payments** option. This allows us to adjust your balance before the final payment is due.

Payment Options

At the time of registration, you can choose:

- **Pay in Full**
- **3 Equal Payments**

Accepted payment methods: Visa, MasterCard, and American Express.
