

The waiver must be completed by the child's parent/guardian in order to participate.

To complete the waiver, go to our website: www.jamhops.com/birthdayparties and click on the "Jam Hops non-member participation waiver" located at the bottom right of the page.

Please complete a Jam Hops online waiver for your child before bringing him/her to the party! It saves time when you are checking in so the kids have more time to enjoy the party.
