PARENT CODE OF CONDUCT

Lenora Park Athletic Association, Inc. (LPAA) is a community-based sports league. We believe in the power of athletics to nurture not only physical abilities but also develop superior life skills through building character, teamwork, and leadership. Our mission is to promote, encourage, and operate inclusive, high-quality athletic programs for the children and youth of the Lenora Park area and the Shiloh Cluster schools within Gwinnett County, Georgia by creating a positive and instructive environment where young athletes can thrive and grow.

To better achieve that mission, we provide the following Codes of Conduct for all LPAA players, parents, and coaches. These Codes of Conduct are a covenant between LPAA players, parents, and coaches to abide by the rules and regulations of the game, as well as to maintain a cooperative attitude and uphold the ideals of fair play and sportsmanship. These Codes express our core values and goals. The LPAA Code of Conduct must be honored and followed. The Codes of Conduct can be summarized in the following four principles:

(1) **Demonstrate a Positive Attitude** – Approach every practice, game, and interaction with respect, encouragement, and optimism.

(2) **Set a Good Example** – Model sportsmanship, discipline, responsibility, and integrity both on and off the field.

(3) **Maintain Good Relationships** – Treat teammates, opponents, officials, and spectators with fairness, dignity, and respect.

(4) **Be Present, Punctual, and Willing to Serve** – Show commitment by arriving on time, being prepared, and stepping up to volunteer when needed.

Parent(s), Player and Coach consequences will be determined by the Head Coach, Sports Director, and/or Board of Directors for violations of the player Code of Conduct.

1. DEMONSTRATING A POSITIVE ATTITUDE

Players, parents, and coaches are expected to show a positive, respectful attitude to everyone involved in the sport. Criticism and disrespect for officials, opponents, coaches, or fans undermine the purpose of sport and encourage behavior contrary to the spirit of the game and the mission of LPAA.

2. SETTING A GOOD EXAMPLE

Each person associated with LPAA **is always accountable for his/her own behavior, on or off the field/court of play**. Parents, coaches, and other adults should remember that children learn by example - it is up to the adults to set good examples. **LPAA will not tolerate conduct that is detrimental to the sport, the participants, or the community**. Such conduct includes, but not limited to: **Vulgarity** by coaches, players, or parents; harassment or belittling of officials, coaches, or players; verbal abuse, threats, or physical violence toward anyone before, during, or after a match; and the taunting of opposing players, coaches, and parents. We require thorough self-restraint by all participants - both players and adults. **Teams must exercise appropriate control over those who fail to control themselves.**

3. MAINTAINING GOOD RELATIONSHIPS

Officials - The referee's job is a difficult one. All referees are human, and they do make mistakes. Parents or players who believe their team has been treated unfairly or has been assigned an unqualified referee should speak to their coach after the game. Coaches should inform the appropriate league or tournament officials about blatant officiating problems. In accordance with Gwinnett Football League (GFL) Rules & Regulations, verbal abuse toward a referee/umpire or other sports official can result in penalties and ejections for the player, coach, or parent. Referees have the authority to suspend play if a coach does not control their players and parents/supporters.

Opponents - Players and coaches are required to maintain a sense of fair play and be respectful of opposing players, coaches, and fans always. Sportsmanship begins with respect. Without it, the positive competitive environment, which should be a perfect classroom for learning the values of Sports and everyday life, is completely undermined. Occasionally, we will encounter opponents who do not share our values and high standards. If we allow ourselves to be drawn down to their level, we will have lost regardless of the final score.

Our Own Family (Team) - In an environment where our children are competing not only against other teams but also frequently against each other, it can be difficult to control jealousies and rivalries. A successful team resembles a family in which members put their own needs second, behind the greater

good of the team. Great care must be taken not to undermine the coach's authority. As in most cases, parental examples are all-important.

4. BEING PRESENT, PUNCTUAL, AND WILLING TO SERVE

Players, parents, coaches, and officials are expected to demonstrate commitment by showing up on time, being prepared, and participating fully in all LPAA activities. Punctuality and consistent attendance show respect for teammates, coaches, and the program. In addition, volunteering is a vital part of our community. LPAA relies on the time, effort, and support of families and participants to provide the best possible experience for our athletes. By giving time to assist with events, game-day needs, and program operations, members not only strengthen the league but also model service, teamwork, and responsibility for the next generation. Everyone associated with LPAA is accountable for honoring their commitments by being present, punctual, and willing to serve.

PARENT CODE OF CONDUCT

As a parent, you play a special role in the development of your child, and of his/her teammates. Your encouragement and good example will do more to ensure good sportsmanship and self-discipline than any other influence. The opposing team is not our enemy—they are simply competitors and deserve our respect. While winning is important, playing well and fairly is the essence of the game.

1. SUPPORT YOUR CHILD

- Support your child by giving encouragement and showing interest in his/her team. Help your child work toward skill improvement and good sportsmanship in every game. Teach your child that challenging work and honest effort are often more important than victory.

2. BE SUPPORTIVE AND YOUR CHILD'S BIGGEST CHEERLEADER

- Children learn more by example than by criticism. Work to be a positive role model and reinforce positive behavior in others. Applaud good plays by others on your child's team as well as good plays by the opposing team. Do not criticize any child's performance from the sidelines. Accept the results of each game. Teach your child to be gracious in victory and to turn defeat into victory by learning and working toward improvement.

3. DON'T BE A SIDELINE COACH OR REF

- Refrain from coaching or refereeing from the sidelines. Parents who shout or scream from the sidelines often give inappropriate advice at the wrong time. The coach should be the only sideline voice. Remain well back from the sidelines and within the spectator area. Both you and your child are likely to have a more positive experience with the game by maintaining an appropriate level of emotional detachment from the activity or field of play. Officials are supposed to be symbols of fair play, integrity, and sportsmanship - Do not question their judgment or honesty in a disrespectful or abusive manner.

4. DEMONSTRATE A POSITIVE ATTITUDE TOWARD YOUR OPPONENTS AND THEIR FAMILIES

- Opponents are not enemies. Take care to show good hospitality at home and to represent DYSC positively when playing other clubs. Never allow yourself to be drawn into a verbal disagreement with opposing parents or coaches. No one has ever regretted letting "cooler heads prevail."

5. REMEMBER THAT YOUR CHILD WANTS TO HAVE FUN

- Your child is the one playing the sport, **NOT YOU**. Children must establish their own goals - to play the game for themselves. Take care not to impose unreasonable demands on your child. Let your children experience the fun of playing as well as the challenge of excelling.

GENERAL EXPECTATIONS OF LPAA PARENTS:

They will set a good example for their child in his/her athletic development by always adhering to the following.

I/We will:

- Do not DISRESPECT the referee openly or directly, during or after games. All criticism should be submitted in writing and sent to my coach or club representative, rather than expressed verbally.
- Give ONLY positive feedback to players.
- Cheer at all games within the spirit of fair play and shall do our best to cheer the effort regardless of the outcome.
- Do our best to teach our players to become students of the game and life.
- Show the quality of our sportsmanship during and after each game and help our child remember to thank the referee after the match without regard to the result.
- Do our absolute best to have our child prepared for every game.
- Support the learning efforts of the players, the coaches, and the referees by demonstrating our patience.
- Be aware that if a parent behaves inappropriately at a game, the referee or a club official may ask them to leave the field. This ensures that the coach will not be penalized or removed from the game due to a parent's behavior as a spectator.
- Leave the coaching to the coach during the game. We shall not give our child instructions during the game.
- Understand that the leagues can, and will, if necessary, suspend a parent from watching and their athlete from play should we behave in a manner that is rude or otherwise offensive.
- Commit to enjoying watching the game just as much as the players are expected to enjoy playing it.
- Volunteer, when possible, to help the program run smoothly.
- Do not use or possess alcohol or illegal drugs while at any LPAA event.

24 HOUR RULE

The 24hr rule is a rule that is in place to help keep peace between the coach and parents. The rules are simple. Parents are encouraged to wait 24 hours after the competition before discussing any concerns with the coach.

Reasons for the rule:

1. To allow the parents to calm down after the issue has developed.
2. Allow the coach to calm down after the competition.
3. Give parents and coaches time to think about the problem.
4. To prevent any unnecessary acts or scenes in front of players and other parents
5. Calmer heads will prevail!
6. To stop any embarrassing moments in front of the Player(s) or child(ren).
7. The hope that time to think about the issues will help to solve the problem in a positive manner and the right resolution. Sometimes in the heat of the moment parents and coaches say things that they really do not mean. Improper management can negatively affect the player or team. The parent & coach relationship is important, but the overall decisions should be based on what is best for the team and players. The rule is in place to help protect the players and team.
