### Registration

\*Is now open! We are hoping to encourage families/players to sign up and create an account in order to receive emails and communication. Word of mouth and social media are avenues already being worked at. There was discussion on having Legion representation at the high school PAC baseball meetings.

### Uniforms

\*In the process of being ordered. Still working on a new design for the Blue hats.

### Banner Hanging

\*Banner hanging at Haddox is still on schedule for May. We are looking for a contact with access to mobile scaffolding.

## Tryouts

\*Tryouts will either be May 1st or May 8th.

\*There was then discussion on whether or not to move Junior tryouts to the morning and Senior to the afternoon. The reasoning for this was to let the coaches see potential dual roster players in both tryouts.

- Motioned by Mike S
- Seconded by Ron N
- No one in opposition
- Passed

## Miscellaneous

\*We would like to update the helmet/bat racks in the dugouts

- work would most most likely be done in April
- do we do it ourselves or not?

\*Batting Cages are still an ongoing discussion with the city

## Final act of business:

\*The budget from December 2020 and January 2021 was reviewed and passed

Meeting was adjourned at 8:15 pm
