## NOTES

1. Home team for all round robin games is determined by the underlined team on the schedule.
2. If one team is undefeated (4-0) following round robin play, and all other teams have a minimum of two losses, the 2<sup>nd</sup> place team must defeat the 1<sup>st</sup> place team twice in order to be considered champions. If two or more teams are tied for 2<sup>nd</sup> place, tie breaker system (no tie-breaker game) will determine which team shall play in the championship game. The 1<sup>st</sup> place team shall have choice of home game for both games if two games are required to declare a champion.
3. Please consult the 2025 Baseball Atlantic Manual for all rules and regulations regarding Baseball Atlantic Championships.
