

Edina Lacrosse Association 2020 Summer COVID-19 Program for Kindergarten and 8U House

Thank you for your previous registration to participate in the ELA 2020 Summer Lacrosse season. Due to the age and number of participants in the Kindergarten and 8U House programs, we felt the 6-foot social distancing practice plan that followed the City of Edina guidelines would be tough for these players. However, we are offering an alternative at-home practice plan that will keep up their interest in lacrosse while getting them outside for much needed physical activity.

ACTION REQUIRED

We are offering 2 choices and ask that you please make a selection by **Sunday, June 7th**. If you do not make a selection by June 7th, we will assume that you would like to continue with the at-home practice option (option 1).

1. **Continue your participation in ELA this summer with the at-home practice program!** If you choose this option, you will be refunded your registration fee minus \$45 to cover the cost of the at-home program. With this program you will receive the following items:
 - Mini-lacrosse stick with a plastic handle commonly referred to as a “fiddle stick.”
 - Soft practice lacrosse ball (added bonus- it floats so you can play with it at the lake!)
 - Edina Lacrosse t-shirt
 - A one-time in-person training session for parent + player to go over simple stick basics and drills that can be done at home. This is a great way for parents who are new to lacrosse to pick up some simple training activities they can do with their kids.
 - The session will use 6-foot social distancing with no more than 10 total people at a time (including the coach).
 - 6 weekly training emails from our coaches.
 - NOTE: there will be an option to purchase a regular lacrosse stick as well, which will have an upcharge
2. **100% refund** (minus administrative fees). Cancel your current registration and request a refund. The refund will be your registration fee minus a \$20 administrative fee to cover expenses ELA has incurred. Refunds are handled manually so please allow 2-3 weeks to process.

Optional: There is also an option to donate part of your refund to ELA. ELA is a non-profit organization that runs on tight margins in a normal year. Any donation would go towards maintaining the quality of our program for the future. Edina Lacrosse Association is a 501c3 organization. Your donation will be tax-deductible, and we will send you a receipt for your tax purposes.

Please complete this [form](#) with your information and choice selection by **Sunday, June 7th**. Please direct any questions to edinayouthlacrosse@gmail.com. Refunds are handled manually, so please allow approximately 2-3 weeks to process. Thank you!
