CC: Ontario Soccer Board of Directors, Staff
From: Matt Ferreira, Director, Development
Subject: Ontario Soccer Learning Facilitator Opportunity

Ontario Soccer's Coach Development program is responsible to the membership for the management, coordination and delivery of education courses, in alignment with Canada Soccer's Coach Pathway. To better prepare the future growth and expansion of programming offered to coaches throughout the province, Ontario Soccer is seeking qualified individuals interested in becoming **Learning Facilitators and entering the Coach Developer Pathway**.

Ontario Soccer's Learning Facilitators hold a tremendously important role in the delivery of Canada Soccer's Grassroots Coach Education as well as acting as a champion for the principles of Long-Term Player Development (LTPD). As a Learning Facilitator, individuals take on the responsibility for training, developing and mentoring of coaches who are looking to enhance their own individual experience and qualifications through formal certification programs.

The Learning Facilitator is a contractor role and the entry point in the Coach Educator pathway that acts as a pre-requisite to becoming a Coach Developer; a role that provides opportunities to deliver formal coach education such as the National C Licence or Ontario Soccer specific courses.

Those interested are invited to [apply here](#) before the closing date on **Friday, August 16, 2024**.

Please note: Successful candidates must be available and fully attend the in-person training on **Saturday, September 14 & Sunday, September 15** at the Zanchin Automotive Soccer Centre located in in Vaughan, Ontario.

For more information on the contractor role and the process to apply, interested candidates should visit [Ontario Soccer's website](#), select the Learning Facilitator position posting and apply based on the provided instructions.
