

Irving B.A.L.L.A.S. 2019 Cheer Team Memorandum

Happy 2019 Football & Cheer season. On behalf of our President, Roland Jackson and all of our Coaches, Team Managers, Volunteers and Support Staff we would like to thank Latisha Sharp and her amazing staff, parents and Cheerleaders for all of their time, efforts and support during the 2018 Football season. Our games were full of excitement, spunk, laughter and memorable moments. Teamwork is the most important skill to have in the sport of Cheerleading and was displayed all season thanks to the hard work, dedication and determination by the Cheer leadership. Cheerleading has taught the young girls to branch out and to be loud and proud and some broke out of their shell! We are grateful for the support, and a huge thank you to everyone from last year for contributing to the success of the 2018 season!

With the 2019 season around the corner, many parents have asked us if there will be a 2019 Cheer Team. We understand that during the off season, rosters change, coaches' move on to bigger and better adventures and children of all ages want to be a part of a team. Our goal is to keep our youth engaged, build a reputable organization that offers multiple platforms for the youth and parents to spend time together playing sports, cheering on and off the field as a team! We are proud to announce that there will be a 2019 Cheer Team! Please join us as we welcome Coach Kia to the Irving B.A.L.L.A.S. Youth Football & Cheer Organization.

"Greetings to all my amazing B.A.L.L.A.S. Parents, my name is Marakia Evans, but you can call me Coach Kia. I am your new Irving B.A.L.L.A.S. Cheer Director for the 2019 season, and I am very excited about the upcoming season this year. I am honored to have the opportunity to work with your children this year and I plan to do my best to make sure the girls have an amazing time learning new things as well as having fun doing what they love to do which is cheer. A little bit about me, I started cheerleading when I was the age of 4 for the Cedar Crest Comets in the Pop Warner little league for 10 years and became a trainer for 4 years when I got too old to cheer anymore. Once I got older music became my passion and I joined the band. Even though I was in the band, I always carried the love of cheerleading with me as I got older. I helped with my niece and many friends when it came to their children cheerleading. Cheerleading is my 1st love and I'm ready to get back in the saddle."
