CHAPTER PRESIDENT MESSAGE

On behalf of the Board of the NorCal Chapter of USA Lacrosse, welcome to the 2nd Annual Senior All Star Games. The games showcase some of the best Seniors, from 48 different programs throughout Northern California. The goal of the Chapter in hosting these games is simple; to honor these fantastic players, strengthen the lacrosse community and grow support for the growth of the game in our region. To this end, the proceeds from today's games will be used to continue the Chapter's mission to promote and support the growth of lacrosse in Northern California. Finally, THANK YOU to all the players, coaches, officials, volunteers and spectators. Your participation and support make this event possible!
