  - c) President's Report
    - i) Football season ended for juniors/seniors. I think it is remarkable that, 2 years ago the program was going through alot, COVID ended last season, and our numbers and our success has really rebounded. And the modified kids that had to go through the COVID and commissioner mess really are thriving at the school level.
    - ii) October is nomination month. If we have any volunteers who want to fill positions, they need to be here next month. All jobs are open. If no one is challenged, it pretty much rolls over. Cathleen Traver has had to step down.
