WASECA YOUTH HOCKEY MISSION STATEMENT

The objective of the Waseca Youth Hockey Association is to provide a competitive hockey program that will develop each player to the maximum of their ability while having fun.

The program will attempt to achieve consistency in all levels, through high school by promoting every youth in the Association the opportunity to play organized hockey with players of comparable skill and interest.

Success of the program will be measured by the skill level of the players, the number of youth cost.

A successful program will be accomplished through the use of the following strategy:

1. Each player will be provided the opportunity and encouragement to pursue his/her own individual level of excellence.
2. The entire program will be a coordinated effort that:
 - a. Teaches individual and team skills that work together throughout the program.
 - b. Builds skills, which will ready the player for the next level of play.
3. The program will be continuously improved by comparing to other well-run programs in the state of Minnesota and utilizing the best aspects of those programs.
4. The program will promote and include specialized clinics for player development.
5. We will create the funding necessary to keep the cost of the program as low as possible.
6. A Board of Directors will govern the program through the establishment of policies and committees.
7. Board members will be expected to uphold their responsibilities. Any board member who has more than two unexcused or four absences from Regular Board Meetings, in a year could be replaced at the discretion of the Executive Committee.

- 10% of registration fees will be reimbursed if the written request is submitted to the Association Registrar prior to December 1st.

HARDSHIP POLICY

The Association understands that there are families that experience hardships from time to time and are unable to fulfill their requirements for registration fees and volunteer hours. To request an application please contact the WHA President.

WASECA HOCKEY EARLY ADVANCEMENT POLICY

This policy addresses any requests/needs to move players up one age level prematurely. All potential moves must be requested by all parents or guardians of the player before consideration will be given. As a general rule, the association prefers that players are rostered at their Minnesota Hockey assigned age level.

Players will be allowed to move up an age level ONLY if the following criteria are met:

1. There is a NEED for numbers at the older age level (based upon the Waseca Hockey policy on team size requirements and maximums).
2. The player wishing to move up has the talent to participate competitively at the higher level (no player will be moved up who is not physically capable of playing at that level).
3. A player/parent can petition for their child to move up early in cases of excessive peer group situations such as their grade in school. Consideration will be given to players who may be the only one in their grade to be playing at the lower level.

Requirements

1. Any player/parent wishing to be considered for early entry into a higher level MUST present a written request to the HOC no later than Waseca Hockey's registration deadline.
2. Anyone turning in a request after Waseca Hockey's registration date will NOT be considered for a move.

Team Need Process

If additional players are needed to make a team at a higher level, those who are entering their last year at the level below will be notified of the opportunity to participate with the older age group. Players who are interested in placement at the higher level must then notify HOC of their interest to attend placement sessions. After sessions the players who show the most potential and the ability to compete with the higher level will be determined by the HOC. HOC may identify that it is not in the best interest of moving any players up after sessions in which other options may need to be explored for the higher team needing more players and those at the lower level will remain in their appropriate age level.

Individual Request Process

1. The HOC will consider all association and individual play ramifications when contemplating player placement requests.
2. The HOC will present placement recommendations to the board for approval prior to placement sessions.
3. Those who have been granted permission to potentially move up early will take part in the regular Waseca Hockey player placement process of/with the older age group.

4. Evaluations of approved move ups will be done at placement sessions; players will be placed on their respective teams at the end of placement sessions.
5. If a player is moved up they will be billed for the remaining registration fee of the upper level.

MOVING UP WHA PLAYERS TO HIGH SCHOOL

The Waseca High School Coaches have until September 1st to notify the WHA if they plan on moving a WHA eligible player up to High School.

Any WHA eligible player that has not been asked by the High School Coach to move up, but feels he or she has the ability to compete at the High School level has until October 7th to register with the WHA. After October 7th the WHA will only accept Bantam and 14U players that have just moved to Waseca or the co-op communities and brand new players.

FUNDRAISING REQUIREMENTS

Each family will be required to participate in the WHA yearly fundraising campaign.

1. 20-Carwash Certificates
2. 2-Outdoor Concert Tickets
3. 1-Purse Bingo Ticket

Families will also have the option to buy out their fundraising at the time of registration if they so choose at \$175.00.

New families and High School families will be responsible for selling 10 carwashes or can choose to buyout their fundraising at \$50.00. Families with both a WHA and High School player will only be required to fulfill the WHA fundraising requirements.

Families that fail to participate in any part of the fundraising activities will be required to pay the buyout that coincides with their classification (new, returning, or high school).

Fundraising checks will be cashed December 1st, unless specified otherwise.

Fundraising requirements will follow the parent/guardian of the player's permanent residence.

VOLUNTEER POLICY GUIDELINES

The goal of the Volunteer Policy is to distribute the workload among ALL of the hockey families.

Our hockey Association benefits from volunteer hours in three distinct ways:

1. The Association cannot sustain without the work hours contributed by the Association's families. Examples: working at hockey tournaments and serving on an Association committee.
2. The Association receives revenue as a result of some volunteer hours. Example: our concession stand at the Waseca Community Arena.
3. Our teams could not operate without the time and efforts of the WHA families and friends who step up to work directly with our players and families. Examples: team managers and coaches.

Volunteer Requirements are as follows

Every family is required to volunteer 25 hours including 4 tournament volunteer hours. Multiple player families are required to complete 4 additional volunteer tournament hours at each respective player's tournament. (For example, a family with a 10U and a Peewee player, must work 4 hours at the Peewee home tournament and 4 hours at the 10U home tournament for a total of 29 volunteer hours.) If you have more than one skater in the program, you qualify as a multiple player family. Multiple player families are asked to distribute their volunteerism between all teams. Volunteer hours must be worked by an adult. Volunteer hour requirements will follow the parent/guardian of the player's permanent residence. **Exception:** new player families, high school families and families with only Learn to Skate players will be required to work 15 volunteer hours.

Families will be billed for all unworked Dibs hours at \$20 per hour. Any hours claimed but not worked will be billed at \$50 per hour.

The majority of volunteer opportunities will occur in July and then again in October-March. It is your responsibility to seek and complete volunteer opportunities to ensure you fulfill your required volunteer commitment.

The association uses "Dibs," an online tool for members to view and sign-up for volunteer opportunities. Site members can browse assigned Dibs Sessions (volunteer opportunities) and claim responsibility for Dibs Items. Please see the Waseca website for more information.

Deployed, Active Military Duty Members:

Families with a parent deployed on active military duty during the hockey season will be exempt from all volunteer hour requirements.

The following positions will fulfill all required volunteer hours except tournament hours:

Board Member (elected position)

Head Coach (requires HOC approval)

Team Manager (chosen by coach) – *co-Team Managers for mites get 15 hours each*

Volunteer Opportunity Examples:

Concession stand shift = 2 hours per shift

Waseca Hockey Sponsored Tournament(s) = actual time worked (e.g., selling tickets, penalty box, timekeeper, announcer, registering teams, EMT, etc.)

Committee (e.g., Fundraising, Tournament, Marketing, Finance) member = at discretion of the Board. Committee Chair is required to get pre-approval for all committee members and to notify the DIBs / Volunteer Coordinator

Association Registration Day(s) = actual time worked

Association Equipment Checkout/Return Day(s) = actual time worked

If you come upon an opportunity that is not listed above, please contact any Board member for pre-approval. Almost any Waseca Youth Hockey sponsored opportunity that brings revenue to or

is vital to the operation of the program is eligible to apply toward volunteer hours. Any discrepancies or clarification will be decided by the Board.

Who can volunteer?

If an adult, other than the player's parent (sibling, relative, etc.) would like to volunteer for your family, please check in advance if it is permissible.

VOLUNTEER POSITIONS AND COMMITTEES

The Waseca Hockey Association is also made up of several volunteer positions and committees. Positions are open to all members of the Association and in most cases would help fulfill volunteer hours. If you are interested in getting involved with a committee or position, please email board@Wasecahockey.org or visit the Waseca website Committees page for more information on the different positions and committees.

- All youths and parents in the Waseca Hockey Association and the High School Hockey are expected to participate in all fundraising activities. Each hockey family including parents of High School players are required to work at these activities to help earn extra funds to prevent additional program cost increases that would need to be passed on to Association members and High School players.
- New Player Families: Mite level through High School are required to work 15 hours for the first year. If you have an existing skater in the WHA program, you do not qualify as a new player family.
- Learn to Skate Families: Are required to work 15 hours of volunteer time. If the coach moved your child moves up to Mites, and has played hockey before, you will be required to work the full 15 hour requirement. If the parent/guardian moves the player, without coach approval, you will be required to work 25 hours, including 4 Mite Jamboree hours. Learn to Skate players will not have a tournament, therefore no tournament hours are required for these players. However, if a Learn to Skate family has a player(s) at another level, they will be required to work hours at those tournaments (see next bullet).
- Returning Families: Each family is required to work 25 hours including 4 tournament hours. Multiple players families are required to complete 4 additional volunteer tournament hours per respective player's tournament. For example, a family with a 10U and a PeeWee player must work 4 hours at the PeeWee home tournament and 4 hours at the 10U home tournament for a total of 29 volunteer hours.
- High School Families: Are required to work 15 hours.
- Penalty Box, Announcer and Timekeeper are not considered volunteer hours. It is the responsibility of the parents/guardians to fill those positions during regular games.
- Penalty Box, Announcer and Timekeeper will be considered volunteer hours during tournaments.
- Any family not meeting their volunteer hours will be charged \$20.00 for every hour short of their required hours.
- Each family is required to work four hours of their team home tournament per child.

- Children are not allowed to work in the concession stand. An adult 18 years or older must always be present when the concession stand is open. You will be charged \$50 per unfulfilled claimed hour. You must find a replacement to work if it's within 5 days of the schedule date to not be charged the \$50 per hour. When you report to a volunteering event you must fill out a Volunteer Hour Form and signed off by a team manager or event coordinator. You must have the form submitted and filled out no later than two weeks after the event to receive credit. Sign your name and time on the volunteer hour sheet. When your shift is completed, sign out and mark the time.
- If you have another adult that is working for you, they must fill out a Volunteer Hour Form and have it signed off by a team manager or event coordinator. They must have the form submitted and filled out no later than two weeks after the event to receive credit.

WHA Board of Directors

25 hours

Attendance of board members is necessary for the board to conduct business. All members must attend at least 66% of the board meetings during the year to receive their hours. Attendance will be kept by the Secretary and a copy provided to the volunteer hour coordinator at the end of the hockey year. The hockey board year runs from May to May.

Coaches / Team Manager

- Head Coach 25 hours
- Team Manager 25 hours
- Assistant Coach up to 25 hours
- The amount of hours awarded to assistant coaches will be determined by the head coaches' coordinator. Assistant coaches are not guaranteed 25 hours. (Includes all assistant Mite coaches)

Other Positions:

- Coaches Coordinator 20 hours
- Officials Coordinator 20 hours
- Concession Stand Coordinator 20 hours
- Website Coordinator 20 hours
- Marketing/Communication Coordinator 20 hours
- Golf Tournament Coordinator 20 hours
- Super Bingo Coordinator 20 hours
- Fair Bingo Tent Coordinator 20 hours
- Summer Concert Coordinator 20 hours

* Sub-committee hours must be pre-approved by the Board.

WHA TOURNAMENTS/JAMBOREES

The WHA encourages our teams to participate in invitational tournaments in other cities. The Squirt, 10U, Pee Wee, 12U, Bantams, and 15U will host an invitational tournament at the Waseca Community Arena based on team participation and revenue analysis. This is in addition to away tournaments. The Learn to Skate do not participate in tournaments/Jamborees. The Mite/8U teams will host one home Jamboree each year. Mites/8U will have the opportunity to participate in Jamborees at the discretion of HOC.

Each team will be allowed to participate in ONE away tournament that the Association will pay up to \$1000 of the registration fee. Additional away tournaments participated in will be at the expense of the team and will be done only if supported by majority of the families involved.

If the majority of the parents/guardians on the team agree to additional tournaments than the cost would be spread out equally amongst ALL of the player's even if the player isn't attending the tournament.

The WHA will pay for all end of the year District, Regional and State tournaments.

Any questions regarding home tournaments should be directed to the Tournament Coordinator and away tournaments should be directed to the Team Manager.

Spending Allowance for Home Tournaments

Each year the WHA will determine allowable tournament expenses based on WHA finances and a WHA Tournament revenue analysis.

LOCKER ROOM POLICY

It is the policy of USA Hockey and USA Hockey InLine that all Affiliates, Districts, leagues, and local hockey programs have at least one responsible adult present directly monitoring the locker room during all team events to assure that only participants, (coaches and players), approved team personnel and family members are permitted in the locker room and to supervise the conduct in the locker room. Any individual meetings with a minor participant and a coach in a locker room shall require a responsible adult be with the coach.

Further, responsible adults (USA Hockey background check required) must personally monitor the locker room environment at all times while participants are present and also make sure the locker room is appropriately secured during times when minor participants are on the ice.

1. It is the intent of the Waseca Hockey Association to provide a place for our youth to change into and out of their hockey equipment.
2. The following policy will be enacted to provide our youth with the opportunity to change into and out of their hockey equipment in a safe environment.
3. The Waseca Hockey Association will follow the guidelines as set forth by USA Hockey which states:
 - a. Where possible, have the male and female players undress / dress in separate locker rooms; then convene in a single dressing room to hold coach's pre-game meeting.
 - b. Once the game is finished, hold the coach's post-game meeting; then have the male and female players proceed to their separate dressing rooms to undress separately, if available.

- c. In those cases, where separate facilities are not available, the minority gender will enter the locker room and change into their uniforms. The minority gender would then leave the locker room, while the majority gender dresses. Both genders would then assemble in the locker room and hold the coach's pregame meeting.
- d. Following the game and the coach's post-game meeting where separate facilities are not available, the majority gender group enters the locker room and undresses, while the minority gender waits outside until they have undressed and left the locker room. Once the majority gender leaves, the minority gender will enter the locker room and undress.
- e. Under no circumstances will a member of the opposite sex (adults included) be in the same room while players are undressing or dressing.

Locker Room Monitoring

WHA will make available the locker rooms and changing areas 60 minutes prior to a game time and at least 30 minutes prior to practice and skill sessions. This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some players uncomfortable and may even place our staff at risk for unwarranted suspicion.

- The arena staff, coaches or locker room monitor will conduct a sweep of the locker rooms and changing areas before players arrive, and if the coaches are not inside the locker rooms, either a coach or voluntary locker room monitor (each of which has been screened) will be posted outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible, so that only participants (coaches and players), approved team personnel and family members are permitted in the locker room. Team personnel or arena staff will secure the locker room appropriately during times when the team is on the ice.

Parents in Locker Rooms

Except for players at the younger age groups (Learn to Skate, Mites/8U), we discourage parents from entering locker rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. If phones or other mobile devices must be used, they should be taken outside of the locker room.

Prohibited Conduct and Reporting

Waseca Hockey Association prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in Waseca Hockey Association may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse that violates the USA Hockey SafeSport Policies.

PLAYER/COACHES EQUIPMENT

Skaters at all levels must provide their own equipment. There is equipment available to rent through the Equipment Manager on a first come, first serve bases (typically Learn to Skate through Squirt/10U). We suggest equipment purchased be: a royal blue helmet; breezers; gloves; and St. Louis style socks (home (white) and away (blue)).

Squirt/Girls 10, PeeWee/Girls 12U, and Bantam/15U level goaltenders must provide their own equipment. There are a limited number of goalie pads available for the Mites/8U levels as they are encouraged to try all positions, any other goalie equipment will not be provided by the WHA.

If you need assistance in finding equipment, contact the Equipment Manager, equipment@wasecahookey.org.

*All coaches and parent volunteers are required to wear a helmet during all on ice activities per Minnesota Hockey.

Jersey Policy

Game jerseys are expensive to replace but players are proud to wear them. Players are allowed to wear their jerseys ONLY during the following occasions:

- Games
- School - ONLY on game days
- Fridays if there is a Saturday game scheduled
- Team pictures
- Specified fundraiser events

NOTE: Jerseys are not to be worn at any other time including practices, open skate, open hockey, etc. or by siblings or friends.

Player's parent(s)/guardian(s) are responsible for any damage done to the jersey outside of a sanctioned game. If your Jersey were to become damaged during a sanctioned game, please report damage immediately to your Head Coach.

It is recommended that Jerseys be transported in a jersey bag or suit bag of some type rather than being in hockey bags with other equipment where they could become damaged.

WHA Jersey and Equipment Return Procedure

Equipment must be returned or re-rented by April 30th, after the season ends. Do not leave the equipment with the coach or at the arena following the final game. All equipment should be cleaned, mended or repaired before being returned.

All equipment rentals require a \$250 deposit. The deposit will be held until the equipment is returned to the Equipment Manager. When the equipment is returned, the deposit will be returned. If the equipment is not returned by April 30th, rented for the summer, arrangements made with the Equipment Manager, or if the equipment is damaged beyond reasonable wear and tear, the deposit check will be cashed. If the helmet expiration date is tampered with, removed, or covered, the deposit check will be cashed.

A signed equipment rental form/waiver must be signed to obtain your equipment. Contact the Equipment Manager at equipment@wasecahockey.org.

GRIEVANCE PROCEDURE POLICY

The Waseca Hockey Association is committed to assuring fair play and treatment for all members of the Association, as well as our volunteer and paid partners. The Association recognizes that, in the course of its activities, diverging opinions and difficulties can arise leading to complaints about a member, team official, policy or practice. The WHA Grievance Policy is intended to provide our members, volunteers and referees access to a process by which complaints, disputes, or other significant concerns can be addressed, reviewed and resolved in a fair and balanced approach. This process is intended to provide individuals a forum to communicate with members of the Waseca Hockey Board when all attempts to resolve an issue have failed. Player conduct, attendance, swearing, attitude and other minor items should be handled at the team level by the WHA Coaching Staff/Team Manager.

1. The aggrieved party should discuss, in person, any complaints, disputes or other significant concerns directly with the individual(s) immediately involved in or having knowledge of the issue. Ideally, most issues are resolved at this level. Players and parents agree to wait at least 24 hours after a game or practice prior to initiating this conversation. Parents and coaches, or other involved parties, agree to conduct themselves professionally and respectfully at all times.
2. If the issue remains unresolved, the individual may file a Grievance Report with the Board President. He or she will convene a group to include him/herself, another member of the Board, and a member of HOC (Hockey Operations Committee) or other committees applicable to the complaint. This group will review the facts of the situation with the parties involved and identify a fair resolution to the issue. APPENDIX:

TEAM MANAGER RESPONSIBILITIES

Team Managers are the main line of communication between the coach and players/parents. They are also responsible for all administrative, non-coaching aspects of their teams. One team manager is chosen from each team. Team managers need to complete a background check through USA Hockey.

Communication Box

In the conference room at the WCA are boxes with labeled slots for each team. Any information without immediate time constraints shall be placed in the respective team's slot or emailed. *Check this box at every practice/game* as well as conferring with coaches at every practice to ensure the information is getting passed on. Label all information with player's names that is handed out, this way any missing people can be given their information at a later date.

Website

Team Manager website responsibilities include entering team schedules for the season, team announcements, rosters, coach and coordinator contact information, and team stats as directed by the coach. This information should be kept up to date on the team page of the website.

Calling/Notifying

There will be instances where immediate information needs to be passed on to the players/parents. Coaches will usually direct managers as to this information. Each team will have a three-ring binder with team rosters, score sheets, labels for score sheets and parent contact information. USA Hockey mandates that birth certificates *not* travel with team books. The team book will need to be made available for the coach at every practice and game. It is also helpful to get cell phone and email addresses from parents. This information is used for Association business only and is not to be given out for any other reason.

Initial Parent Meeting

This meeting should be organized with the coach to be held as soon as possible after the team is rostered. Procedures, expectations for players and parents, volunteer hours, and tournaments should be discussed at this meeting.

Jerseys

As soon as possible after teams have been selected, obtain jerseys from the Equipment Manager. Distribute the jerseys, record the numbers for rosters and collect the jerseys at the end of the season. All jerseys should be cleaned prior to returning them to the Equipment Manager. Any damaged jersey should be reported to the Equipment Manager immediately. Let the Registrar know the players' numbers as soon as possible so game labels can be made.

Rosters

It is necessary for every team to have a completed official hockey roster. Work with the Registrar to make sure the roster is completed before the District Registration meeting. You are responsible to take rosters to any tournaments your team participates in. Provide each player with a list of players on the team, including parents' names, email and phone numbers as well as a game/practice schedule.

Game Confirmation

Confirm game with opposing team 72 hours in advance either via email or phone. Contact information can usually be obtained from your coach or opponents website. If you have difficulty confirming game, advise your coach ASAP. For weather related cancellations, the team manager is to confirm the cancellation at the appropriate home arena. All members of the team should be notified via telephone/text/email. Use your best judgment for road conditions.

Home Ice

Any additions or changes to home ice team schedules must be reported to the ice scheduler at all times. All home ice cancellations must be reported to the ice scheduler at least 72 hours in advance before the scheduled event. Home game changes should be routed through the ice scheduler rather than the head referee unless a short notice cancellation occurs.

Penalty Box/Clock/Score Sheet

Coordinate parents for the two penalty boxes, running the clock, and keeping the score sheet for each home game. This can be achieved through either a sign-up sheet or assigned rotation, whichever the Team Manager determines is best for their team. The clock operator will need to be trained. No one under the age of 18 should be in the official's area during a game (the area by the clock).

NOTE: Working the penalty box/clock/score sheet does not count toward volunteer hours, unless it takes place within the context of a Waseca-sponsored tournament.

Score Sheets

Game results are entered on the District 9 website. Game scores need to be posted within 24 hours otherwise the game will be posted as a forfeit. Please make a copy of anything you are mailing out and keep it with the team book in case items are lost. You will need to have a parent score each home game. Each home and away coach and game referee must sign the game sheet and include their coach's number. Computer labels with player names and jersey number are available from the Registrar.

NOTE: Any game misconduct or checking from behind penalties must be reported on the results sheet.

Tournaments

Coaches will advise you of any out-of-town tournament as soon as it has been confirmed. Obtain information on hotel choices as soon as possible. The Team Manager should hold a block of rooms under the name of the Association and pass the information on to the parents to confirm individual rooms. It is a good idea to follow-up with the hotel to confirm someone has not overlooked making the reservation before letting the blocked rooms go.

Board Communication

Any issues/concerns should be reported to the Vice President of the Board. Please consider submitting an article and/or picture to Let's Play Hockey, local publications, and/or the website coordinator if your team does exceptionally well at a tournament. Individual player awards should be communicated to District 9.

Other

Provide maps to away games. Coordinate year-end banquet awards (with coach). Pictures – check with assigned photographer. Coordinate treats for games (with parents). Note those players whose parents DO NOT authorize the release of their player's name and/or picture.

HOCKEY OPERATIONS COMMITTEE (HOC)

The Hockey Operations Committee is made up of individuals with significant hockey backgrounds or experience and makes recommendations to the Association Board. HOC's role is to provide guidance to the on ice portion of the Association so that the board may concentrate on the larger administrative aspects of running the Association. A member of the HOC will be the named ACE Director with the District.

Recommendations will not be made without research and a thorough consideration of potential results.

- Selection of Coaches: The HOC will be responsible for the placement of coaches at the youth levels. Part of this process will include the recruiting of non-parent coaches.
- Player placement within the various levels: The HOC will evaluate player requests to "move up" and make decisions about placement of those players.
- Coordinating of ice time: The HOC will determine game to practice ratios, length of practices, number of games (including tournament games), optimal number of skaters on the ice at a given time, etc.
- 'A' teams, 'B' teams, etc: Based on skater registration by age, and prevailing rules in mind (Minnesota Hockey, District 9, etc), the HOC will determine what classifications will be most beneficial for the Association.

HOC Guidelines for Playing and Ice Time

- Refer to next section for playing time guidelines.
- American Development Model (ADM), USA Hockey's long term athlete development program will be utilized.
- Practice to game ratio shall be a minimum of 2:1 at the Squirt, PeeWee and Bantam levels and 4:1 at the Mite level (depending on the Mite skill level). Player Placement session hours are included in practice hours. All tournament games, excluding District Regional, and State, will count towards figuring practice to game ratios at all levels.

- There may be 1 ½ hour blocks of time at the Squirt, PeeWee and Bantam levels which can be broken up by those respective coaches to allow for solo ice for the teams at each level.
- No parents or siblings on benches during practices.
- The following guidelines will be followed for number of events allowed at each level:
 - Mite: 10 (including tournament/ Jamboree games)
 - Squirt/Girls 10U: 20-25 (including tournaments)
 - PeeWee/Girls 12U: 22-27 (including tournaments)
 - Bantam/Girls 15U: 25-30 (including tournaments)

Team Guidelines

The following guidelines are to be followed regarding playing time at the Squirt, Girls 10U, Girls 12U, PeeWee and Bantam levels. Any playing time guidelines below are based on the assumption of adequate practice attendance and participation (effort, conduct) by the player. Playing time may be reduced if a player does not satisfy attendance and participation requirements. Coaches will review requirements and penalties at the beginning of the season with parents and players.

Level of play	Playing time	Power Play unit	Short Handed unit
Squirt A ^**	Equal over the course of the season.	Rotate lines	Allowed
Squirt B^** Squirt C** Girls 10U^ **	Equal, rotate lines	Rotate lines	Rotate lines
PeeWee A **	Earned, may not be equal, but should try to be equal over the course of the season.	Allowed	Allowed
PeeWee B ^** Girls 12U^	Equal over the course of the season.	Rotate lines	Allowed
PeeWee C ^**	Equal, rotate lines	Rotate lines	Rotate lines
Bantam A ^	Earned, not necessarily equal.	Allowed	Allowed
Bantam B ^**	Equal over the course of the season.	Rotate lines	Allowed
Girls 15U ^	Earned, may not be equal, but should try to be equal over the course of the season.	Allowed	Allowed

^Beginning players at these levels may be kept out of games, or play at a reduced amount, until the coach feels the player is ready.

**A goalie at these levels is not guaranteed 100% playing time as a goalie through the season even if they were the only one that tried out as a goalie. Players are encouraged to try the goalie position if they are interested.

If these are the highest registered levels at a given age level the playing time/power play/shorthanded rules of the “A” designation will apply to the “B” level.
