Green Canyon High School is in its 2nd year of existence and as a wrestling program we want to start a solid tradition that serves as a way to provide some diversity of competition. We have a unique opportunity in that our school is close to the Utah/Wyoming and Utah/Idaho borders! What better way to get some good ole fashion competition than to invite teams from other states to come compete! And we want everyone to get a LOT of mat time, especially after the holiday break. It's time to get the blood flowing! Here's what you can expect:

#### Individual awards

- Individual awards: Day one will be a round robin style "seeding" tournament. Top kids from day one will be placed in the "elite" championship bracket on day two. The bottom half of the round robin will be put in a bracket as well. We want all kids to get at least five matches over the course of both days. It would be possible to get six or seven. Medals will be awarded for the top six places.
- Team awards: Just like any other championship bracketed tournament, a trophy would go to the team with the most points.
- State awards: We will be giving a traveling trophy to the state that has the highest cumulative team points in the tournament. The team from that state that placed highest in the team race will house the trophy for the remainder of the school year. They'll bring it with them the following year.

Varsity Team Cost: \$300.00
