

WELCOME TO THE WOLFPACK

Whether you are a seasoned member of the Wolves or new to our program we are delighted to welcome you to our pack.

During the last few seasons we've been dedicating ourselves to rebuilding our foundations and creating football and cheer programs that reflect our organization's values:

- Respect - For yourself, opponents, officials, spectators, and the game
- Responsibility - Accountable for one's own actions
- Integrity - Truthfulness and following through with commitments
- Servant Leadership - Putting the team goals before personal accomplishments and inspiring others to do the same
- Sportsmanship - Fair play

We have made significant progress in expanding our programs and are thrilled to continue our journey towards making this the best franchise for our current and future Wolves.

On the attached pages you'll find a little bit about us, upcoming dates, and how to connect via BAND (this will be the only way we communicate with families).

We're looking forward to a great season with you. Go Wolves!

GET TO KNOW US!

My name is Larry Sheedy, and this is my second year as Franchise Head Coach. I began coaching with the Wolves TCYFL program in 2022, starting in the Minors division with my son. I'm excited to be part of this program and to work with all the coaches in building strong Wolves teams from Flag to High School.

Hi! I'm Kayla. This is my third season as the Franchise Head Cheer Coach and my fifth season with the Wolves. I participated in TCYFL Cheer during my youth, and some of my favorite childhood memories stem from those years. My goal is for your cheerleader to leave feeling the same way. I can't wait to see all the new and returning cheerleaders! Go Wolves!

Hi! I'm Emily, the Wolves Franchise Coordinator. I've been a part of the TCYFL Wolves family since 2015 and joined back up in 2021 when my youngest son started playing. This is my third year as Franchise Coordinator. I'm excited to get to know you all and am looking forward to this season!
