

# JUNIOR BOX LEAGUE

Welcome to the junior box league! Below you will find useful information about how to participate and play in the league!

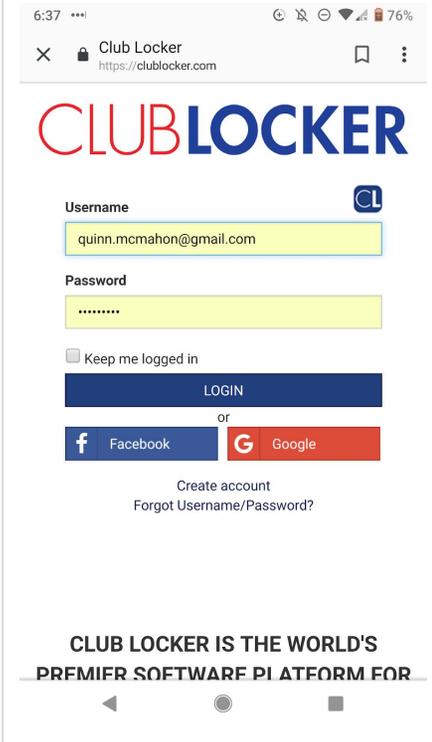

- At the beginning of each month, check to see what box you are in. You will have been drawn into a box of players with similar skill level.

Ideally, each box will have four players, meaning that you will schedule and play three matches that month.

*Note: Sometimes there may be fewer or more players in the box, due to players joining and dropping out of the league, but we will try to stick to four.*

**To find out what box you are in, go to clublocker.com on your mobile phone. Use your US Squash username and password to log in.**

*If you are having trouble finding your US Squash username and password, or when you log in you can't find your box, get in touch with [gavin@203squash.org](mailto:gavin@203squash.org) and I will help you.*

2.

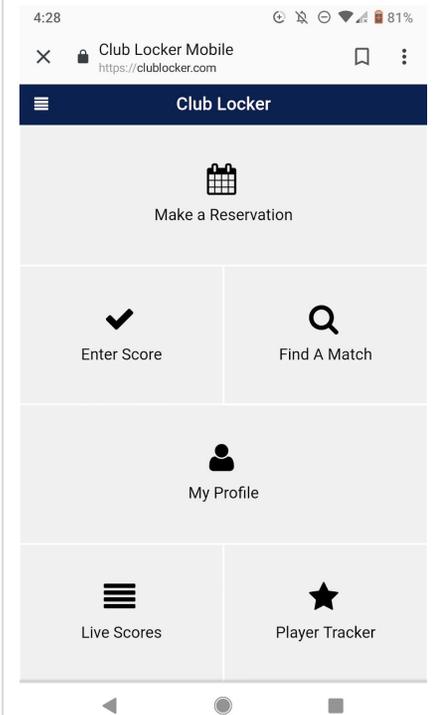

Once you are logged in, you should see this screen.

Click on Enter Score.

*Note: Make a Reservation is not switched on. Don't try and make a reservation through this.*

If you want to make a reservation for a court, contact INTENSITY, <http://www.intensity.club/squash/book-a-court/>. Or please call (203) 853-7727 for assistance.

If both players have GFA playing privileges, you can book courts to play at GFA.

3.

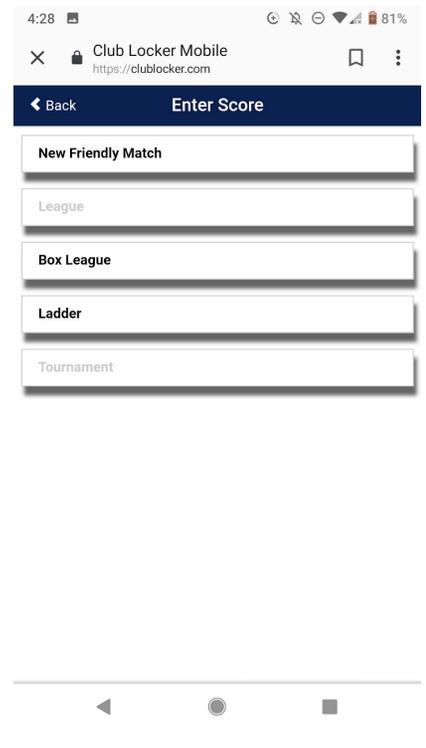

Click on Box League. This will take you through to your box.

You will be able to see who is in your box, and the status of any matches played. You can also see 'record' to record scores.

At the top of the box, there is a button that says, 'Email Box'

This is a good way to get in touch with your opponents to arrange your matches.

Arrange a mutually convenient time and date for your match. It's a good idea to spread the matches out over the month, don't wait to the last minute!

4.

Play your match. The match is best of five games, so you can win (or lose) 3-0, 3-1, or 3-2.

One of you (by tradition it's the winner, but either player can do it) must record the score.

Click on 'record' to do that, and you will see a screen like this.

Only the match score counts, so you can just use the Preset match scores and hit submit. If you want to record the detailed scoreline, just adjust the point score for each match.

If you make a mistake submitting the score, or are having problems, please email [gavin@203squash.org](mailto:gavin@203squash.org) and I will help.

That's it!

Make sure that you get all your matches played every month. If you want to play more matches, just call or email another player in the box league and arrange to play a game.

The top player in the box will move up one box each month, and the bottom player will go down, based on their results.
