

## Discover Idaho Ski Trip March 6-8

**Seriously. You Know You Wanna Go!!!!!!**

**Now Is Your Chance.**

**And It's A Weekend Trip!**

*How many times have you driven past the signs for Soldier Mountain, Pomerelle or Pebble Creek and said "Gee, one day I really should ski there."? You are in luck "One Day" Is Here!*

These mountains are all definitely worth skiing and our club has made it possible for you to ski either one, two or all three of them. And the cost is pretty darn cheap in this era of expensive skiing. Afterwards, you might very well be saying:

*"Gee, why didn't I do this sooner 'cause these places are pretty cool". . . "And uncrowded"! . . . "And inexpensive!" . . . "And the skiing was wonderful". . . "And I am definitely coming back!"*

So our "Low Budget-High Quality Discover Idaho ski trip" is an Ad Hoc excursion where we establish the time and place and you book directly with the resort and hotels. For those of you who have gone on our Low Budget-High Quality trips in the past, you already know the deal. Here are the particulars for each day. Join us for one, two or all three days.

The first day we ski Soldier Mountain in Fairfield, the second day is Pebble Creek outside of Pocatello and then finishing last, but certainly not least, Pomerelle, outside of Twin Falls.

Transportation You drive or car pool with others. Contact Dan if you need a ride or will share.

Lift Tickets. Book on resort websites in advance for best rates a few days before the trip. Rates are already reasonably low. Discounts for seniors available.

Dining What would be skiing without good food? Although we have to rely on each resort to provide a good meal at lunchtime, dinner is another matter altogether. So the club selects the best reasonably priced restaurant in each area for our dining pleasure. We all dine together as a group near the hotel and enjoy drinks before and/or after at the hotel. And we all get together for the hotel breakfast the next morning.

March 6 (Friday) Hotel Lobby Meet at 6:30 for dinner.

March 7 (Sat) Hotel Lobby Meet at 7:00 for dinner.

Apres Ski Since we are driving each day, this trip won't have the usual Apres Ski activity that we would normally enjoy. We will have impromptu get-togethers each evening for those who choose fun times over sleep. Be advised that your trip leader will choose sleep (unless you are paying for his drinks)

Once you have your rooms booked, let Dan know via email at [DArnhols@msn.com](mailto:DArnhols@msn.com). Please provide who will be carpooling with you. Cell phone number is (208) 509-9008 and text is best for instant communications.

The snow forecast for the last two weeks of February and first week of March looks pretty good at the time of this writing. Do your snow dance to make sure. Looking forward to skiing with you.
