Board Member Spotlight - Alicia Peterson - Secretary

Hello! I grew up in Jesup and have lived in the area all my life. I graduated from Wartburg College and have worked in sales since graduating. My son Isaac has been playing hockey for WYHA for almost 8 years. In those years I have volunteered in various ways including being team manager and helping on the Battle of Waterloo Committee for the last two years. Isaac also plays baseball and soccer. Our daughter Sophie enjoys competition dance and music.

I joined the board to help our organization keep making positive changes. I believe in transparency and doing what is in the best interest of all the kids playing in our organization. I look forward to working with the board this year and all our members to help make our organization even bigger and better.
