

Parents/Players

Below is the expectations for playing time for each age group. Your registration fee DOES NOT BUY playing time. You must show up to practice and listen to your coaches or the table below does not matter.

Academy - 50% of each tournament (not per game but on average for the tournament)

U11/12 - 50% of each tournament (not per game but on average for the tournament)

U13/14 - 35% of each tournament (not per game but on average for the tournament)

U15 and older - No required amount of playing time. The coach has the final decision on playing time for his/her players. The club suggest that any player that shows up to practice and does what is ask of them get SOME playing time at each tournament. This does not suggest they will play in every game
