### **CAGWA JV K-8 & Varsity K-8 Tournament Standards**

#### **Mission**

Provide a venue for wrestlers to compete against other wrestlers with similar years of experience. To give them an opportunity to succeed, keep them interested in wrestling, and grow the sport in the state of California.

#### **Objective**

Reduce the number of wrestlers leaving the sport after one or two years due to an initial lack of success. To allow them to build confidence by wrestling kids with the same level of experience rather than finding themselves competing against much more experienced wrestlers week after week.

#### **Qualifications**

CAGWA sanctions two (2) types of Tournaments;

1. JV K-8 ---This tournament is for first year wrestlers only, first year wrestlers that

have **not** held a USA card or entered in any other competitive wrestling event prior to September 1, 2018. Those who participated in the rookie are exempt from this stipulation. These wrestlers can only wrestle one weight class.

2. Varsity K-8 ---This tournament is for any second year and beyond wrestlers that have wrestled in a tournament prior to September 1, 2018. These wrestlers can wrestle two weight classes but not two age divisions.

3. All athletes and coaches must provide a current USA wrestling card and must be in good standing with CAGWA.

4. League finals will require all athletes to attend 5 CAGWA tournaments prior to league finals to qualify to compete.

5. Dominator Series is exclusively for CAGWA team members.

6. Criteria will be used to determine sole Champion per division for Dominator Series points.
