

**4. Registrar's Report**

**a. Rosters**

Rosters have to be finalized by Jan. 15<sup>th</sup>.

**b. Redlines**

There are currently no redlines. Ginnette gets notified when a game misconduct is issued, as it's sent through GameSheets. She is also supposed to get the ref reports, but that is not working as well. She has to reach out to Rick Daniel (CAHA VP Discipline) who gets the reports every time, but is not hearing back. Kirby will reach out to him to see if he can improve the communication.

**5. Team Updates and changes:**

**a. Greenville National - None**

**f. Greenville Palmetto - None**

**b. Fusion National – None**

**g. Fusion Palmetto - None**

**c. Ft. Mill National - None**

**h. Charleston Palmetto - None**

**d. Holy City National - None**

**e. Charleston Mariners National – Down 1 skater**

**6. New Business:**

**a. Search for SCSHA Secretary –**

We still need a Secretary. Lauree is still the TM for the Mariners and can't do both. We can appoint someone to serve until the EOY meeting, and then it can be up for election. Please check with your teams to see if someone is interested and Kirby will send a SportsEngine message to everyone to solicit interest, too.

**b. GameSheet Corrections/Rankings**

There are a couple of issues that have to be resolved for GameSheets: 1) No points were initially given for losing in a shoot-out, but it's been corrected. Two points for a win, one for a shootout loss. 2) GameSheets does not have an entry for a 2/10 penalty, and it's reporting them as game misconducts. The workaround is to load a 2 min. minor and a 10 min. unsportsmanlike.

Stacey is still loading stats on her Team page, but they are available for everyone on the Standings and Player Stats page.

There is some confusion because GameSheets does not have an option for standings scoring based on our rules. Rules are on our website for reference.

**c. CAHA DEI Committee Member**

Each member association of CAHA has to have someone on the DEI committee. Barabra volunteered and Kirby will reach out with the info she needs.

**d. State Tournament Update**

Ginnette is reaching out to Brandon to discuss. Lauree has talked with him, and he wants to make it work since it should allow those in the CHL playoffs to do State, too.

**e. All Star Jerseys**

Lauree to reach out to her contact and see if she's interested. (Update, she said the pricing Kirby has is great, and we should go with them.)

**f. Hobey Baker**

One senior per team. The Hurricanes will be recognizing the winners at their game on 2/24 against the Dallas Stars. We will have to tell the winners before State weekend so they can get tickets.

**g. Maine Nordiques (no future affiliation)**

FYI – the Nordiques currently have no affiliation in Maine or South Carolina. The players can still register with the HS league, but no CAHA teams can play them and they cannot compete in USA Hockey tournaments. They are working through the details and could affiliate with CAHA or AAU.

**h. We Honor The Game Nominee**

We did submit the name of one junior from the Fusion, but have not heard if he's going to be recognized. We accept nominations monthly, and you need to send the name and a short bio to Kirby. The CAHA committee recognizes the players, coaches, and volunteers. They also do Senior Spotlights. Submit one to Kirby no later than the end of January.

**7. Announcement of next meeting date – January 9<sup>th</sup> at 7:00pm**

**8. Adjourned at 7:39 – motion by Kirby, seconded by Beth**
