KC Athletics Families,

The safety of our players, coaches, employees and families of KC Athletics remains our top priority. A lot has changed in a week and we continue to monitor all updates surrounding the COVID-19 virus. **We have decided to extend the suspension of KC Athletics activities until Friday April 3rd, 2020.** We will now make updates on a bi-weekly basis regarding further suspensions.

Please take the necessary precautions to keep yourself and your families safe at this time. We will continue updating our website and social media channels with home activities for our players to participate in. We look forward to resuming club activities as soon as we are able.

Sincerely,

KC Athletics
