

# Warrior Hockey **Blue Line Club**

Members & Prospective Members

Thank You for Your Support!

The Blue Line Club helps to support the Warrior High School hockey program that includes players from Amery, Clear Lake and Clayton. Money is raised through a membership drive, local dock/boat lift removal and placement, and an annual golf tournament.

Funds are used to help with the 'extras' not covered by the schools such as helmets, jerseys, hockey bags, locker room supplies, and overall ice arena improvements. Funds are also used to offset the cost of tournament travel for the team.

As always, the team needs your support. Please consider membership in the Blue Line Club for this season. You will receive a membership card as admission to all regular season home games. Members are welcome to join us in the hospitality room at home hockey games for some great food and drink provided by parents of high school hockey players.

**Family Membership: \$80.00.** Family Members will receive a season pass to all regular season WIAA home games and access to the hospitality room.

**Single Membership: \$30.00.** Single Members will receive a season pass to all regular season WIAA home games and access to the hospitality room.

**Student Pass: \$20.00.** Season pass to all regular season WIAA home games.

Your continued support is very much appreciated. Bring the form below with payment to a home hockey game OR send form and fee to the address below. Thank You!!

**Blue Line Club Board Members:** Kevin Smith, Scott Kjeseth, and Jessica Smith
