Practices

Practices looked great yesterday
Contact Gary about when grass fields at TA will open
Contact Steve B. at Parks/Rec on final field schedule and when the fields will open
City fields do not have bathrooms – is this an issue? Port-a-potty options?
Will continue weekend practices on the turf at TA for next two weekend
Plan if fields are not cleared for practices the week after April vacation – Jill/Mike
Girls Clinic on for Saturday 4/21

Coaching

Great feedback from coaches who attended Level 1 clinic
Practices observed were very well organized and had age appropriate drills

Game Schedules

Still waiting on schedule from MYL – the first 3 weeks should be available soon
Officials will be available 2 weeks prior to a scheduled game
5/6 Girls – No Sunday games due to soccer

Concessions

Rob has \$900 to start season; will open on Sunday 4/29
TA Boosters is struggling to get volunteers – can we link the booster sign up sheets to our web page?
Sports Engine does have a module to track volunteerism

Photos

Mike emailed Katie and Chad to coordinate
Request TA gym or TAMS once we have feedback/date from Chad
White Boards to indicate team/player name to avoid confusion from last year
