Subject: Tournaments within Ontario and Canada

Each year, Ontario Soccer approves over a hundred tournaments and events across Ontario. These events create valuable opportunities for the soccer community to compete and engage with clubs outside of their local area. To apply to host tournaments and view tournaments that are available in Ontario, please visit: ontariosoccer.net/tournament-directory.

Provincial and Territorial soccer organizations across Canada also list their approved tournaments and events on their websites. For your convenience, links to the available pages are listed below:
