

Boundary Policy

Each league in USA Softball of Sacramento has defined boundaries on file and must only accept players who reside or go to school within those boundaries. A copy of these boundaries may be obtained from the league or NorCal Girls Softball.

Exception: Waivers may be REQUESTED for participants meeting unique circumstances as approved by NorCal Girls Softball AND USA Softball of Sacramento.

Waiver must be filled out and approved PRIOR to participation in the new league. Approval must come from both leagues, NorCal GSB Commissioner and USA Softball of Sacramento Commissioner.

In the case that an exception is granted, USA Softball of Sacramento and NorCal Girls Softball have the right to grant a full exception which includes full eligibility or a partial exception which would limit the player from being eligible for All-Stars and/or Winterball.

Players found to be playing in the wrong league will be deemed in-eligible for All-Stars (and Winterball) for the current year and will be re-directed to the correct league for the following year.
