

WJHA PLAYER EVALUATION FORM

You have completed the playing season as head coach of one of WJHA's travel teams. The Board of Directors ("Board") requests that you fill out the attached evaluation form for each player that was on your team this season. This information is for the confidential use of the Board only, and will be used by it to assist in evaluating players during next year's try-out process.

Instructions: Please rate the player for each category listed on a scale from 1 thru 5, with "1" being the weakest rating, and "5" being the strongest rating. If you are unsure of how to rate the player in a particular category, then you should select "N/A". In the Comment section, please list any information that you feel may help in evaluating this player, especially any intangibles that would not necessarily be apparent in a try-out setting. Return the completed forms to the Program Director as soon as possible. If you have any questions concerning how to fill these forms out please contact the Program Director.
