

ADASL Game Day Procedures

1. Each team must take every player's and coaches' temperature.
(Home team is responsible for refs.)
 - a. Anyone with a temperature higher than 100.4F must depart.
 - b. All participants must follow the ADASL Mask Protocol.
2. Each team will verbally go over the Personal Responsibility Pledge before every game and is responsible for providing their own COVID supplies.
3. Home team is responsible for establishing the extended technical areas. Technical areas must be large enough to allow for proper social distancing. No shared or communal supplies.
4. If possible, each team must have a separate technical and warmup area that plays at the facility on the same day.
5. The Away team picks the side and Home Team Kicks off
6. No spectators allowed.
7. Match officials can abandon a match when League COVID protocols are not being followed and believes player or referee safety is under threat.
