-**H (home)** or **V (visitors)** box determines which ice surface you play on. Be aware which door you are going out to the ice on. **RM#** is your dressing room.

-Dressing **Room #2** can be used if you need privacy.

-15 minutes between games to help with dressing room changes.

-First and second games are doubled up on the ice surface (4 teams are out at once).

-Last medal games only have 2 teams out at once but still follow the **H** or **V** to eliminate an extra FLOOD.
