

KELLER YOUTH ASSOCIATION

CODE OF CONDUCT

The Keller Youth Association (KYA) is a registered 501(c)(3) non-profit organization run by an all-volunteer member board.

The Mission of the Keller Youth Association is to help young people develop into better adults through participation in organized sports.

The individual age-appropriate leagues are designed to provide organized sports activities focusing on individual instruction and teamwork in a positive, constructive, and fun environment. KYA believes that if you teach young people to play by the rules, they will learn to live by the rules!

To prevent misunderstandings when issues occur during our various sport seasons, the Keller Youth Association (KYA) Board of Directors has instituted the following Code of Conduct for players, parents and managers/coaches.

Code of Conduct for Players

As a player for KYA, I agree to:

Respect my manager and coaches. The managers and coaches are volunteers who donate their time to our organization and my appreciation for their help should be reflected in all my actions on and off the playing field. It is my duty to listen to and follow the directions of my manager and coaches and to obey the rules set forth by the manager and coaches of the teams.

Respect my team members and other players. I will not insult, criticize, or verbally abuse any other player. Such behavior does not promote but destroys team spirit.

Never resort to physical threats or actions to rectify a situation. Physical outbursts are unacceptable and will be dealt with using a zero-tolerance policy. I will avoid all acts likely to incite violence or disorder, and any such occurrence will result in my immediate suspension. Violent behavior towards any player, coach, official, or spectator is NEVER acceptable and will lead to my immediate suspension.

Display good sportsmanship at all times. As a representative of the KYA, it is my duty to reflect the characteristics of fair play at all times. I will display to others that competition is healthy, and I will not lower those standards by engaging in unsportsmanlike conduct. Abusive language is unacceptable, and I am aware that using vulgar or abusive language will result in my immediate suspension.

Be a contributor to the KYA. I play organized sports not only for my own personal pleasure and benefit but for the benefit and as a representative of KYA. I will always give 100% to my team by doing the best job that I can.

I will remember that sports participation is an opportunity to learn and have fun.

Code of Conduct for Parents

As a parent of a player in KYA, I agree to:

Respect the managers and their coaching staff. Managers and coaches are volunteers who donate their time and expertise to KYA. My appreciation of their efforts is paramount to ensuring a willing and ample supply of managers and coaches in the program. I will take practices and games seriously by

making sure that my child(ren) are available and on time as scheduled. I will collect my children in a timely manner when practices and games are finished.

Respect all players. All players are contributors to a team and should be positively encouraged by all parents. I will not engage in insults or criticisms of players. Such behavior does not promote team spirit but breaks apart a team and will not be tolerated.

Respect KYA Board Personnel and Officials. As parents, YOU are the best example to your children regarding sportsmanship and respect towards others. As such, I agree, as a parent of a child participating in KYA sports programs, to always respect and treat civilly the KYA Board Personnel and Officials who are working at any KYA sports venue.

Follow proper channels to resolve any dispute with KYA. KYA is willing to assist any parent that has an issue with any of its programs. I understand that if I have an issue or problem, I should approach and address it with the manager or coaches of my child's team, the age-appropriate commissioner or any member of the KYA Board. No parent should ever feel that KYA is unapproachable. If necessary, I agree to abide by the KYA Board of Directors' Policy and Procedure for filing Grievances.

Respect the Keller Sports Complex and abide by posted City rules: No drugs, tobacco products, alcohol or pets allowed on the premises.

Display good sportsmanship at all times. The children are learning to become team players and work toward a common goal. I will always be non-judgmental in my support for their attempts and their outcomes. I will relax, enjoy watching the children play and place the emotional and physical well-being ahead of a personal desire to win.

Code of Conduct for Managers/Coaches

As a coach and/or manager for KYA, I agree to:

Respect all players. I will ensure that all criticism I offer to the players will be constructive and balanced with compliments. I recognize that all players are contributors to my team and I will treat them all fairly and equitably within the age-specific playing rules.

Respect all parents. I recognize that enrolling their child/children in KYA is a big commitment for parents. I will keep my team parents informed as well as possible to ensure that the whole team is pulling in the same direction.

Respect KYA Board Personnel and Officials. I understand that the children on the team and their parents look to me for leadership and as an example of how to act toward the persons issuing rulings during a game situation. As such, I agree to always respect and treat civilly the KYA Board Personnel and Officials who are working at any KYA sports venue.

Follow proper channels to resolve any disputes. I understand that I am not alone in my position as manager or coach. I have a strong organization to assist me in the resolution of problems, issues, or disputes. If they arise, I will discuss problems with my manager or coaches, the player(s), the parents, the Commissioner, individual KYA Board members, or the entire KYA Board, as necessary. With the manager or coaches, I will schedule a team meeting before our first practice to formulate the expectations for our team.

Display good sportsmanship at all times. I understand that the players are learning to be good sportsmen and team players and are quick to copy all behavior they see on the field, particularly mine, in my position as manager or coach. I will show respect to my team's manager, coaches, players, and parents, as well as the opposing managers, coaches, players, and parents, at all times. The umpires and fans will also have my respect, and I will respectfully take care of the playing fields, facilities, and equipment that we use.

Be a positive contributor to KYA. I will be a positive and caring influence and an encouraging force in teaching the lessons of team play through sports to all the players and parents I encounter.

I hereby represent and certify that I have been given a copy of, and have read, the Keller Youth Association Code of Conduct and that I have either read it to my child, if applicable, or had my child read it and have thoroughly discussed with my child the contents and expectations contained within it. I further represent and certify that I, my spouse, my family members, and my child participating in KYA activities will abide by standards and codes expressed in the Keller Youth Association Code of Conduct. I further agree that KYA reserves the right, at its sole discretion, to suspend and/or ban any player, parent, guardian, or family member from its association, and the activities related thereto, for the failure to abide by the KYA Code of Conduct (this includes the dismissal of a player from a team in mid-season). I further understand and agree that the lack of awareness or a misunderstanding of the standards expressed within the Keller Youth Associates Code of Conduct on my part is not a defense to a charge of misconduct.
