Each purchase you make will earn the rebate percentage indicated. From that rebate percentage the skater will earn 80% towards their fees and the club will earn 20% as a fundraising program.

Total Rebate	\$72.30
Skater (80%)	\$57.84
Club (20%)	\$14.46

Retailers will often run specials throughout the year, especially holidays. Rebates range from .5% to 24%. Skaters who regularly order basics such as gas, groceries, or hotels for hockey travel can earn at least half of the skater fees in Scrip. Reports can be run from the Family Functions to see rebate totals.
