After graduating HS opted to accept a professional offer he had with Monarcas Morelia U20 in Mexico. From there he was loaned out to C.D. Yurecuaro before finishing his playing career there. Jesus played as a Central Midfielder for most of his playing career.

Coaching Background:

Jesus has had the privilege to work at 2 different clubs in his short but busy coaching career. Had the honor to work at De Anza Force (Cupertino). There he had the opportunity to work on both girls and boys side as well as working with the Academy as an assistant coach. While at De Anza had the great opportunity to work along Albert Puig ex FC Barcelona academy director. Now he is back with Impact and eager to use his experience for benefit of the club.

Coaching Education:

Currently hold NSCAA license as well as the USSF E License. Have attended multiple courses. Some of the more important include Albert Puig's Positional Play course (FC Barcelona Methodology) / Coaching Dialogue with Marco Garcés academy director of Club Pachuca in Mexico / NorCal Coaching Symposium. Also have been lucky enough to travel abroad and get access to FC Barcelona academy sessions and speak with coaches and directors. As well as UE Cornellà / Córdoba CF / UE Sant Andreu. In March of 2018 I was able to take 19 of our top Impact players to play professional matches in Barcelona against Sant Cugat and Ce L'hospitalet. As well as professional training with UE Sant Andreu.

Coaching Philosophy:

As I coach I believe it is our job to provide opportunities for the players as well as prepare them for them. My goal for the players is to have an environment where they will be looking forward to every planned session and provide a pathway for them to reach their objectives.
