BOARD MEMBER REPORTS:

• **COMMISSIONER**

- Thank you to all for a competitive and fun season. Nate & Dave will be having a WS meeting coming up in September. We now have teams that have qualified for the World Series in Houston. As a reminder to coaches, your players will be required to pay \$35 plus whatever credit card fee associated with that transaction. The league will pay for team registration fees which is believed to be \$520.00. The league covers this cost for all teams that qualify including those that qualify for ASANA – congratulations to both LVGSL Women's teams that will be competing in Myrtle Beach this year for that tournament.

• **ASSISTANT COMMISSIONER**

- AIDS Walk was a success. Thank you to all who participated in that. As mentioned by Dave, there is a special link for Aviators Pride Night. We will get it distributed multiple times. Email was sent out yesterday (5/19) regarding team pictures. Those have now been uploaded to a sharepoint site. There is also an opportunity to upload any team photos that you'd like to share. During the closing ceremony, there was a lot of talking and not a lot of people paying attention. Especially during the presentation of the hall of fame inductees, we owe it to those who have helped build the league to show them our best behavior when people are speaking.

Old Business:

New Business:

- Theo: Sportsmanship Discussion
 - This is to note that in general, sportsmanship seem to be going well this season, but that it has been noticed a trend in some games that there is a tendency of moving away from sportsmanship especially in the lower division games as everyone is still learning. This is really more of an observation. In the heat of the moment, everybody's trying to do the best they can, but aren't always cognizant of what's happening on the rest of individuals or how the team feels given the situation.
