NOTICE: STUDENT NON-DISCRIMINATION & ANTI-HARASSMENT

The School District of Wisconsin Rapids is committed to equal educational opportunity for all District students. The District will not deny any person admission to, participation in, or the benefits of any curricular, extracurricular, pupil services, recreational or other program or activity because of a person's gender, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation, transgender status, gender identity, or physical, mental, emotional or learning disability, or any other characteristic protected under State or Federal civil rights laws.

The District strives to provide a safe, secure and respectful learning environment for all students in school buildings, on school grounds, and school buses and at school-sponsored activities. The District prohibits all forms of discrimination and harassment.

The District encourages all students, as well as third parties, to promptly report incidents of discrimination or harassment to a teacher, administrator, supervisor, or other District employee or official so that the District may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall forward the complaint to the District's designated Compliance Officer without undue delay, but not later than two (2) business days. The District's designated Compliance Officer is the Director of Human Resources. Complaints should be submitted to:

I. Goals of Co-Curricular Activity Participation

The following informational sections contain the minimum requirements for every 6-12 WRPS student to be eligible for participation in district-sponsored, co-curricular activities. In order to participate in any co-curricular activity, a signed Code of Conduct form must be on file in the athletic office/school office and entered on a student's electronic school record. The Co-Curricular Code of Conduct will be signed by students and parents before participation in a student's initial co-curricular activity for grades 6-8 and then for grades 9-12. The Co-Curricular Code is in effect throughout a student's grades 6-12 career.

The co-curricular activity program is an important part of the educational experience, but participation is a privilege, not a right. It provides opportunities for learning experiences difficult to duplicate in traditional school activities. Co-curricular participation has the following major objectives:

1. To teach attitudes of responsibility and cooperation and to help students realize that participation in co-curricular activities is a privilege with accompanying responsibilities;
2. To help students learn good habits of health, hygiene, and safety;
3. To provide activities that help promote school unity;
4. To provide activities for learning self-discipline, loyalty, team play, personal pride, pride in the organization, respect for the rights of others, and the will to be successful;
5. To provide students with opportunities for competition;
6. To provide students with opportunities to place the unit, team squad, class and school above personal desires.

II. Definition of Co-Curricular Activities

Co-Curricular activities include any school related activity that is offered outside of academic class requirements. Co-Curricular activities are divided into five distinct categories. School district policies and school rules govern all student activities. In addition, each category has unique rules and expectations which regulate participation.

Category 1 – Athletics

All interscholastic athletics are governed by the Wisconsin Rapids Public Schools' co-curricular code and the Wisconsin Interscholastic Athletic Association (WIAA). The WIAA is a voluntary, incorporated and non-profit organization located in Stevens Point, Wisconsin. Most private and public high schools in the State of Wisconsin offering interscholastic athletic programs are members. All WIAA and other pertinent conference, national and state governing regulations as published will apply and are available upon request.

There will generally be an application or nomination process established by the building administration for these activities. Students in this category are expected to be representative of the values, expectations and ideas espoused by the school and school district.

Students participating in any Category 3 activities will be expected to comply with the academic rules, attendance rules, and social behavior and conduct rules listed as part of the Co-Curricular Code. In order to be eligible to participate, students must be in good standing, exhibit proper school behavior, and have no school violations. Students who violate stated rules are subject to removal from the activity as deemed appropriate by the activity advisor and/or the building administration. All eligibility determinations will be made by the advisor in consultation with the building administration.

Behaviors under this category remain under the direction of the building principal and the supervision of the individual classroom instructor. All students participating in the respective activities will adhere to school board policies, school rules, and classroom rules. Intramurals and interest clubs will be governed by School Board policies, school rules and regulations, and the written intramural or interest club rules. Coach/Advisor Rules & the Co-Curricular Code of Conduct

Parent(s)/guardian(s) and participants in co-curricular programs should note that the coach, advisor, teacher, etc. may establish policies germane to his/her respective program. This may include more stringent rules and resulting penalties assessed in addition to Co-Curricular Code provisions. Furthermore, after consultation and review with school administration, it shall be the coach's/advisor's prerogative to suspend any participant from an activity or program if they consider the student to be a demoralizing influence or a detriment to that program and its participants.

 - b. Failure to be in attendance as stated will result in non-participation in all co-curricular events that day.
 - c. Exceptions to this attendance rule will include the following
 - i. Absences which have been excused for a funeral, court appearance, school approved trips, documented medical appointments, exercising of voting rights, or for other unusual or extenuating circumstances/family emergencies as cleared with the principal and/or athletic director in advance. Hunting or fishing is not an exception.

 - d. If a student is truant on days other than the day of a contest/event, he/she may be withheld from one contest or event for each truancy. (The term, truancy, refers to an unexcused absence for two or more class periods in a school day.)
 - e. All students must be in attendance by 11:00 a.m. for the remainder of the school day in order to practice.

- K. Suspension
 - a. Students suspended out of school during a season will be ineligible to participate in practices and events during the period of suspension. Events missed during the days of suspension will not count toward penalties being served for a Code violation penalty.

- L. Failure to Complete a Season
 - a. A student who is dropped from one activity for disciplinary reasons shall be ineligible to participate in another activity during that same season.
 - b. A student who quits a seasonal co-curricular activity shall be ineligible to participate in another activity during that season unless he/she receives consent from the coaches or advisors involved. (This does not apply if the activity meets all year or if a student is cut from a team.)

IV. Social Behavior and Conduct Rules

- A. A student is covered by the Code of Conduct from the time he/she begins his/her involvement with the co-curricular program until the conclusion of his/her co-curricular activity career. (Grades 6-8 career and Grades 9-12 career)
- B. Students are expected to follow all school rules and to display high standards of behavior, including good sportsmanship, respect for others, and use of appropriate language and dress at all times. Students are expected to follow the curfew established by the coach/advisor of each activity.
- C. Eligibility may be regulated by school wide discipline structures. A teacher may refer a participant to the appropriate coach/advisor when the teacher believes that the participant's school conduct is disruptive or undesirable (gross insubordination, endangerment of health and safety, etc.)
- D. The coach/advisor shall define the consequences for inappropriate student conduct in writing prior to the start of the season. Consequences may include suspension from participation. These consequences must be approved by the building administration and kept on file with the Athletic Director. Consequences established by a coach/advisor cannot supersede the provisions of the WRPS co-curricular code.
- E. Application of the WRPS Co-Curricular Code
 - a. Duration of Code Violations: Violations of the Co-Curricular Code will be cumulative during a Grades 6-8 career and a Grades 9-12 career. Penalties from 8th grade that have not been served will be transferred to 9th grade.

A participant must refrain from any conduct at any time that would reflect unfavorably on him or herself or the school.

V. Guidelines for Minimum Penalties (Categories 1 & 2)

Failure to abide by established rules may result in withdrawal of the privilege to participate. The percentage of suspension from an activity will be based upon each school's total regular season scheduled events for each specific activity. The activities that allow for multiple-school meets at the high school level (soccer, tennis, volleyball and wrestling) are regarded as single event dates. Scrimmages will not count as part of a suspension.

WRPS expressly reserves the right to impose a penalty it deems appropriate for each individual situation and case. Code violations are cumulative throughout a student career (grades 6-8 career and then grades 9-12 career).

NOTES:

1) Cumulative Codes: A student has 4 strikes and out at their grades 6-8 career and then again at their grades 9-12 career with the exception for #2 below.

2) Earning a Step Back: A student who does not have a code violation over a fifteen-month period after having a code violation may earn back a consequence category. Example — Student receives a second code violation consequence on January 1, 2020. The student does not have another code violation until April 1, 2021. Due to the violation on April 2, 2021, the student will receive the consequences for a second code violation.

3) Reporting: There is no statute of limitations on reporting Co-Curricular Code violations. However, it will be at the discretion of the administration on whether to take action on reports that are not made in a timely manner.

A. Consequences for Major Rule Code Violations:

- a. First Major Violation: (In grades 6-8 and/or 9-12 careers)
 - i. A first major violation of the Code will result in a suspension from competition for a period of 20% of the contests ...based upon each school's total regular season scheduled events for each specific activity. (See Appendix A)
 - 1. Any remaining percentage of that suspension not served shall be recalculated and applied toward the next activity in which a student participates in and completes. Any fraction of a competition will be rounded upward. (See Appendix A)
 - 2. If a suspension carries over into the WIAA tournament series, the athlete will miss the entire tournament series. This clause pertains to team tournaments as well as the individual tournament series. (A WIAA tournament event series missed will count as ONE event toward the penalty to be served.)
 - 3. Any student serving a penalty during an activity must remain in the sport in order for the penalty to be completed. If a student quits the activity, the penalty will carry over to the next season or activity in which the student participates.
- b. Second Major Violation: (In grades 6-8 and/or 9-12 careers)
 - i. A second major violation of the Code will result in suspension from competition for a period of 50% of the contests based upon each school's total regular season scheduled events for each specific activity. (See Appendix A)
 - 1. All other sanctions listed under the first violation will be served before a second violation suspension begins.

2. Unserved suspension time will be recalculated for the next season/activity participated in and as applicable; and WIAA series applications will be similar to those listed under first violations.
- c. Third Major Violation: (In grades 6-8 and/or 9-12 careers)
 - i. A third major violation of the Code will result in suspension from competition for one calendar year from the date of the third violation. All other sanctions may be served simultaneously during this one year suspension.
 - d. Fourth Major Violation: (In grades 6-8 and/or 9-12 careers)
 - i. A fourth major violation of the Code will result in loss of eligibility for activities in Categories 1 & 2 for the entirety/remainder of a grades 6-8 career and/or 9-12 career.
 - ii. A fourth major violation of the Code during a student's 8th grade year will result in a one calendar year suspension from all activities.
 - e. Notes about Violations:
 - i. A student who is academically ineligible must serve this penalty and regain eligibility status before serving other code violation penalties.
 - ii. A student found to be involved in the use or abuse of nicotine, alcohol and controlled substances, including steroids, performance enhancers, etc. will receive sanctions and also be referred to Student Services and the School Resource Officer. The student is responsible to meet with their school counselor before eligibility will be reinstated.
 - iii. A student found to have committed a major code violation will be required to meet with the athletic director and may be required to participate in a district recommended program/project/restorative practice before eligibility will be granted.
 - iv. Students who are reported for Co-Curricular Code violations will be sanctioned, if the violation is substantiated, to a reasonable degree by the athletic director and/or administration.
 - v. See Appendix A – CHART OF INELIGIBILITY for the calculation of normal suspension periods.
 - vi. Students who have received a code violation from a police issued referral and/or citation may request an appeals hearing within five days of the ticket being dismissed or found not guilty.

In this case, investigation of the event must be immediate with no statute of limitations.
 - b. Any student or person from the public may notify school authorities regarding alleged rule violations in writing in the form of a signed letter to the Athletic Director or administration. A violation must be reported within 28 days from the alleged violations(s).

- B. Upon receiving a report that a violation may have occurred:

 - b. When a suspension is rendered, it shall begin the day the decision is rendered to the student. The decision to suspend a student from participation will be implemented immediately and will remain in force until completed or until overturned through the appeal process. If a student disagrees with the judgment/penalty they may appeal the judgment/penalty by following the appeals procedure. (See Section D)
- C. Enforcement
 - a. All co-curricular activities that a student is involved with will be subject to the enforcement of a penalty.
 - b. If the student is not out for a sport at the time of a violation, the penalty will affect the next sport season the student successfully completes.
 - c. If the student is currently not participating in a non-athletic co-curricular event at the time of a violation, a penalty may be enforced in the next subsequent activity in which they normally participate per the discretion of the advisor *in consultation with administration*.
 - i. All violations will be documented in the student's file. The number of violations automatically corresponds to the penalty level in all activities.
 - ii. Any student serving a penalty during a sport or activity must remain active and finish in good standing in the sport or activity in order for the penalty to be successfully served.
 - d. During a student's first offense suspension, the advisor/coach of an activity may:
 - i. Eliminate the student from some practices/meetings/events

Appeals do not stop the penalty phase of a Code violation.
 - b. The Appeal Committee
 - i. The role of the committee is restricted to reviewing the facts of the alleged violation of the Code and determining whether or not a violation occurred.
 - ii. The Appeal Committee for each case will be selected by the Athletic Director and a building administrator. The Appeal Committee will meet to hear the appeal within five (5) school days of receipt of the request. The Appeal Committee will be made up of the following individuals:

 - vii. Each party summarizes his/her position for the members of the Appeals Committee.
 - viii. Within five (5) school days of the hearing, a decision will be made regarding the appeal. Such a decision will make findings of facts and communicate such to the student and his/her parents in writing.
- E. Further Appeal
 - a.  - b. Within ten (10) school days after receiving this request, the Personnel Committee of the Board of Education will review the findings of the Appeal Committee hearing but does not conduct a hearing. The Personnel Committee may affirm, reverse, or modify the decision of the Appeal Committee. VII. Miscellaneous

- A. Equipment/Supplies
 - a. All students will be furnished equipment/supplies as applicable at the start of sports seasons. It is the responsibility of each student to make sure that uniforms are maintained in a state of proper cleanliness and repair. If, during the season, a student should lose any equipment/supplies, or ruin equipment/supplies by misuse, the student will pay for lost or ruined equipment/supplies before being issued any new items. At the end of an activity the student will turn in all gear that was issued. Anything not turned in must be paid for. Parents will be notified of the debt.

B. Travel

- a. The student must travel to and from out-of-town events via transportation arranged by the coach or advisor. A student who travels via other transportation will not participate in the event.
 - i. WRAMS: If a parent or legal guardian from WRAMS wants their athlete to ride home with them after an event, the parent/legal guardian must personally sign an Activity Travel Release Form that team coach(es) or advisor(s) will have with them at the event. If a parent or legal guardian of an athlete wants to request and grant permission for another legal adult to take his/her athlete from an event, an Activity Travel Release Form needs to be filled out and approved by the athletic director or administrator 24 hours prior to the event.
 - ii. LHS: Exceptions may be made in advance in writing with approval from the coach/advisor before 8:00 a.m. the day of the contest/event. Exceptions after 8:00 a.m. must be made by the building administrator/athletic director.
- b. Unless otherwise indicated, students will travel to in-district events with transportation arranged by the student/family.
- c. Poor Standing Criteria - A student will be considered as being in poor standing if one or more of the following criteria is met:
- d. The student was declared ineligible based on academic standards.
- e. The student quit the activity before the season was over.
- f. A student who has served a suspension during the season of the original violation is ineligible to receive any conference awards for that season.
- g. A student may not be awarded a letter if they do not finish the season in good standing. The season is completed at the conclusion of the awards banquet.
 - i. Coaches/Advisors are to submit a list of letter-winners and their fulfilled letter qualifications to the Athletic Director or administration for confirmation before any awards are announced. Any student whose suspension is initiated in an ongoing season will not be eligible to receive the designation of either Captain or Most Valuable Player for that season.
 - ii. Letter criteria for each activity will be handed out to the student and parent by the head coach/advisor prior to the season.
- h. A coach or advisor MAY RECALL an award if the student's conduct warrants such action. This decision is subject to the appeal procedure in Section V.D., but only as to whether the conduct occurred.
