

Hortonville Hoops Club ... 2021-2022 Calendar Raffle Fundraiser

- This year, all players paid for 5 calendar raffles during registration. You can choose to put your name on these calendars or sell them for \$10 each. Players are encouraged to sell additional calendars! Along with fundraising for our club, players will earn great prizes along the way! (see below)
- Turn in process:
 - **Register for Prizes!** A virtual form needs to be filled out to claim prizes. You can find the link on our website www.hortonvillehoops.com > Youth Program > Calendar Raffle.
 - **Write ONE check to Hortonville Hoops Club, secure payment with the sold calendar stubs and unsold calendars... include your player(s) name.** Don't forget, you already paid for 5 calendars (\$50) at registration, those calendars should be turned in for a chance to win cash prizes, but a check payment is only needed if additional calendars were sold by your player.
 - **Turn in money and calendar stubs from Nov. 29 - Dec 1.** Do not turn in late... late turn in will risk availability of apparel orders. In addition, to be compliant with gaming laws, all stubs cannot be turned in once the first drawing takes place. The first drawing is Dec. 3 so late calendars will not be accepted! At turn in, in one envelope marked with your son's name and grade, please include 1 check, stubs from calendars sold and all unsold calendars to their grade lead.
- Because we are not doing an in person turn-in event, prizes will not be available right away. The goal is to hand out water bottles and basketballs the week after turn-in.

Prizes (calendar count includes the 5 purchased at registration)
