

Dear Northfield Soccer Association Families,

Our organization — YOUR organization — is led by a volunteer Board of Directors. We also rely on non-Board volunteers to serve as coordinators, committee members, managers, and coaches. To ensure the health of our organization, we're asking you to consider stepping up this fall. We operate on one-year, renewable terms of service — a reasonable way to see if this is a good fit.

The Board meets year-round on the first Thursday of each month at 7:00 p.m. (currently via Zoom). We are recruiting for the following roles for the 2020-2021 board year, which begins in October:

- Treasurer (Board officer)
- Secretary (Board officer)
- Fundraising and Community Support Coordinator (at-large Board member)
- Communications Coordinator (at-large Board member)
- Field Coordinator (non-Board position)
- Other? (we can have additional at-large Board members and welcome creative ideas for how you might contribute)

If you're interested in learning more about these volunteer opportunities, consider joining our next meeting on the evening of Wednesday, August 26. Please contact Emma Wilhelm ([vice\\_president@northfieldsoccer.org](mailto:vice_president@northfieldsoccer.org)) for the Zoom invitation. You can also [review the job descriptions](#).

Board membership is certainly not limited to parents of current players. We welcome you to share this information with grandparents or Northfield community members who are passionate about soccer.

Do it for the kids!

Sincerely,

Your 2019-2020 Northfield Soccer Association Board

P.S. Thank you to everyone who has contributed to our [Northfield Soccer Association 2020 and Beyond Campaign!](#)
