## **MARCH MADNESS ON THE ICE:** *Wrapping Up Seasons and Springing into Action*

As March comes to a close, the hockey community is buzzing with excitement and anticipation. It's been a whirlwind month, with teams wrapping up their seasons in exciting fashion while others gear up for new challenges ahead. Let's take a look at some of the highlights from the past few weeks:

## **CHAMPIONSHIP GLORY**

The 14A Comets capped off their season in spectacular fashion, earning the state championship title. After months of hard work, dedication, their perseverance paid off, leaving a legacy triumph on the ice. This talented group completed a 43-6-3 season record and won 5 Championships. 13 of those regular season wins were against comp level programs. Congratulations to the players and coaches on an excellent season!

Haylie Anzelini signed her official NIL to play NCAA D3 hockey at Neumann University! Hayley has played her whole youth career with AHA.

# NATIONAL DREAMS

The 18U North Stars have been diligently preparing for the prestigious USA Hockey National Tournament. With their sights set on glory, these young athletes have left no stone unturned in their quest for victory. As they lace up their skates and take to the ice, they carry with them the hopes and dreams of their team and hockey community. If this team can accomplish bringing home the gold, it will be the Anchorage North Stars 3rd National Championship in the last 7 years. Good luck boys. We are all cheering for you!

## SPRINGING INTO ACTION

While some teams bid farewell to their season, players are eagerly looking to stay on the ice. Spring league hockey has kicked off, offering players the perfect opportunity to hone their skills and stay connected to the game they love. From the beginner 6U to the more experienced 14U, everyone is eager to hit the ice and showcase their talent.
